## Lewis Rejects Government Proposal To Call Off Coal Strike

### President Truman Expected To Take Action In Strike

Latest Development Puts Next Move In Coal Strike Up To President

#### COURT INJUNCTION MOVE IS LIKELY (BULLETIN)

WASHINGTON, March 23.—(INS)—The soft coal strike was turned over to President Truman today for action that may bring another court injunction against John L. Lewis.

Federal Mediation Director Cyrus S. Ching went to the White House within ten minutes after Lewis flatly rejected the government's proposal for ending the strike and submitting the miners' pension dispute to a fact-finding board.

By PHILLIPS J. PECK (U. S. Staff Correspondent)

WASHINGTON, March 23.—John L. Lewis today flatly rejected the government's proposal that he call off the soft coal strike and submit the pension plan dispute to a fact-finding board.

The UMW president's rejection virtually assured that the nine-day-old walkout of 400,000 miners will be handed over to President Truman for action that may bring another court injunction against the union.

Lewis had been expected to turn down the government peace plan. His rejection was set forth in a letter to Federal Mediation Director Cyrus S. Ching, who drafted the proposal.

#### Letter Of Rejection

The letter was signed by John Owens, UMW secretary treasurer; John T. Jones, head of the UMW Maryland district; and W. A. Boyle, president of the union's Montana district.

This trio of union officials attended the government sponsored conference at which Ching's plan was submitted. Their letter said:

"We advise you further in relation to your grotesque offer of yesterday.

"The United Mine Workers of America consider that the offer

### Pa Newc Observes

Leaves are beginning to appear on bushes around the city, indicating that spring is actually making its debut for another year.

Arrival of Good Friday on the calendar this week, means that a holiday will be observed by some institutions at that time.

New Castle was fortunate over the week end in escaping the flash floods that developed over areas in the Allegheny Valley upper areas. The flood waters in the Warren, Oil City, Meadville districts appear to be subsiding somewhat today.

Spring work on local lawns and yards was in full swing Monday afternoon. Both men and women of the households were observed strolling in overalls and slacks, raking and rolling lawns. Porch scrubbing was in evidence during the day. A few housewives despite the cloudy weather ventured to hang the family wash on the line for the first time.

Boys and girls took advantage of the first day of Easter vacation on Monday by engaging in varied outdoor activities.

(Continued on Page Six)

#### Daily Weather Report

United States weather statistics for the 24-hour period ending at 9 a. m. today follow:

Maximum temperature, 71.  
Minimum temperature, 43.  
No precipitation.  
River stage, 10.8 feet.

Statistics for the same date a year ago, follow:

Maximum temperature, 44.  
Minimum temperature, 36.  
Precipitation, .04 inches, rain and snow.

### Plan Sharp Rebuff To Yugoslav Proposals On Future Of Trieste

By JOHN A. REICHMANN (U. S. Staff Correspondent)

WASHINGTON, March 23.—The State Department plans today to issue a sharp rebuff to Yugoslav counter proposals that Belgrade and Rome work out a settlement of their own on the future of Trieste.

This proposal was put forward by Yugoslav Foreign Minister Stanoye Simic at a news conference after his country protested the American, British, French proposal that Trieste be given back to Italy.

In substance, Simic reiterated a position taken 15 months ago jointly by Marshall Tito and Italy's Communist leader Togliatti.

Demand Gorizia

The Tito-Togliatti statement carried with the proposal to give Trieste (Continued on Page Ten)

### YMCA Kick-Off Dinner Tonight

Division Leaders, Team Captains, Workers Of Senior Group To Dine

Division leaders, team captains and workers in the senior group of the Y.M.C.A. membership campaign, will launch their drive tonight with a dinner scheduled for the Association's banquet hall at 6:30.

S. Glenn McCracken, general chairman of the 1948 effort, reported today that the junior group has already been in the field for almost two weeks recruiting members and that the beginning of the senior drive will put the canvass into full swing. The younger members of the branch working this year will be guests at the dinner.

Program of Evening

The program for the evening follows:

President John Boyles in charge of meeting.

Invocation—Rev. James A. Gaier.

Dinner.

Singing—Sam Lewis, leader; Emil Branstetter, accompanist.

Remarks—Richard E. Rentz, chairman, membership committee.

Address—S. Glenn McCracken, general chairman.

Remarks—Glenn Slovisky and Robert Georgia, division chairman and Robert Campaign instructions—David Galt.

Closing remarks—Robert L. Meermans, general secretary.

### Richard Reilly Is Saved From Chair By Tennessee Governor

Second Pittsburgh Young Man Snatched From Death By Commutation Of Sentence

NASHVILLE, Tenn., March 23.—(INS)—Richard Reilly, 21, of Pittsburgh, Pa., today faces 99 years imprisonment rather than death by electrocution.

Gov. James McCord commuted Reilly's death sentence yesterday. The youth was granted a 32-day stay of execution March 3—a few hours before he was to die in the electric chair at Tennessee's State prison.

Reilly was charged with the hold-up slaying of a Memphis clothing merchant, Sam Colsky, Nov. 21, 1946.

Companion Also Saved

Daniel Budzynski, 19, also of Pittsburgh and Reilly's companion, recently was saved from electrocution by Gov. McCord who commuted his sentence to 99 years.

Budzynski's sentence was commuted after his sweetheart flew to Nashville from Pittsburgh and begged permission to marry him before his electrocution.

He said there is nothing to a report that British troops might stay in Palestine if expenses are met by the United States.

The spokesman reaffirmed the British decision to withdraw their forces by Aug. 1 after giving up the mandate on May 15.

AUTO FIRE

Firemen were called to the vicinity of South and Beaver streets last evening, where the seat of an auto owned by Bill Boggs, of Enon Valley was found afire. Damage of around \$10 was caused by the fire.

### Expect House To Pass Tax Cut Bill On Wednesday

Senate Approves Over Four Billion Tax Cut By Vote Of 78-11

#### FORESEE PASSAGE OVER TRUMAN VETO (BULLETIN)

WASHINGTON, March 23.—(INS)—GOP leaders predicted today that the House will pass by an overwhelming vote tomorrow the Senate-approved bill to cut taxes four billion 773 million dollars a year.

This will complete final enactment and send the bill to the White House. President Truman is said to be determined to veto the measure despite the whopping 78 to 11 majority by which the Senate approved the tax cut.

Can Pass Over Veto

House Speaker Martin, commenting on the Senate vote, said: "It indicates that the bill will become law without any doubt at all. We can pass it over the President's veto without any question."

"It is gratifying to see nearly everybody now recognizing the demand for a tax cut. That demand springs from the fact that, because of high prices, the ordinary people have got to have more money. Incentive also must be provided by business to expand and keep production going."

The Senate will send the tax bill to the House today. GOP leaders plan to make a perfunctory move to take it up at once by unanimous consent and pass it. But Rep. Rayburn (D) Texas, minority leader, announced that he will object.

Ready For House Vote

The next step will be to obtain (Continued on Page Two)

### Need 100 Men For Guard Units

Local Units Of National Guard Must Have Recruits At Once

LT. COL. MITCHELL OUTLINES BIG NEED

Enlistments are needed in the local units of the National Guard if preparedness upon the local level is to mean anything. At a meeting in The Castleton Hotel Monday night, the entire picture was laid out by Lt. Col. George F. Mitchell, commanding the 229th Field Artillery Battalion, to a committee from the Greater New Castle Association.

"We have a Headquarters Company, Headquarters Battery, Service Battery and a Medical Unit," said Col. Mitchell. "We need 100 men between the ages of 17 and 35 to fill our complement and unless we do fill it we will lose some of the units."

Need Medical Officer

"Unless we get a medical man to take a commission as the head of the Medical Unit, we will certainly lose this unit within a short time, probably by the next inspection which takes place within three weeks. We have endeavored to interest a doctor in the county to head the unit but thus far we have failed. Unless we get a doctor to head it, the unit will be lost to New Castle. Several other cities have said they can supply the medical man and the personnel."

"Right now preparedness is being urged by the President and by Congress," said Col. Mitchell. "Vast sums of money are being spent, Universal Military Training and a draft have been recommended, and high among the preparedness measures is the National Guard."

"It is my understanding that if

### Holy Week Speakers

Community noon time Holy Week services in First Methodist church, North Jefferson street are being addressed as follows:

Wednesday, Dr. R. F. Galbreath, speaker; Rev. George Sarber, chairman.

Thursday, Dr. R. M. Patterson, speaker; Rev. James A. Gaier, chairman.

Friday, noon to three o'clock, three hour service in First Presby-

### Open Debate In House On Huge Foreign Aid Bill

Six And Quarter Billion Foreign Aid Measure Under Consideration

#### SWIFT APPROVAL IS BEING URGED

By RAYMOND WILCOVE (U. S. Staff Correspondent)

WASHINGTON, March 23.—The House opens debate today on the six and one-quarter billion dollar Europe and China recovery program with an appeal by a Republican leader for swift approval as the American answer to "the menace now confronting mankind."

Rep. Eaton (R) N. J., chairman of the House Foreign Affairs Committee, declared in a speech prepared for delivery that "no sacrifice, no effort is too great for America nor for every other freedom-minded and freedom-loving people to assume" to halt Soviet domination.

Issue In Situation

In grim, pointed words, Eaton stated: "This is the issue which makes necessary the legislation we are now considering: Is the new world civilization to enslave slavery in every land with Russia as its instrument of control or is the new world civilization to enslave freedom in every land with America as its leader and its champion."

"There they stand face to face—America, champion of freedom as the basis of all civilized life; Russia, the champion of slavery as the basis of a world civilization without a soul. This legislation is our choice. Once our choice is made, we must go on until victory is won for ourselves and all mankind."

March 31 Deadline

The House Republican leadership has set March 31 as the deadline for passage of the legislation, which contains six billion, 205 million dollars for 21 non-Communist nations.

The program calls for three days of general debate concluding Thursday followed by a Good Friday recess until Monday, when voting will begin on amendments. GOP chieftains are confident the legislation will reach the White House well in advance of the crucial April 18 elections in Italy where the Communists are making their next bid for power.

In the Senate, which passed March 13 a five billion 300 million dollar bill confined to 16 western European nations, debate is scheduled on a separate measure furnishing an additional 275 million dollars in military aid for Greece and Turkey.

Another Measure

Still a third Senate bill, containing 463 million dollars for China, will be taken up next, thus giving the Senate a chance to go on record on all three measures included in the House's "one package" bill.

The bill before the House, approved by the Foreign Affairs Committee, includes five billion 300 million dollars for the 16 European nations originally scheduled to come under the Marshall plan, western Europe and Trieste; 870 million for China; 275 millions for Greece and Turkey; and sixty millions for the United Nations international children's fund.

### Reputed Wheeling Racketeer Slain

Harry W. Weidetz, 37, Restaurant Operator And Reputed Bookmaker, Killed

WHEELING, W. Va., March 23.—(INS)—Wheeling police today blamed racket warfare for the ambush slaying of Harry W. Weidetz, 37, restaurant operator and reputed bookmaker.

Weidetz was shot shortly before midnight last night as he and his wife, Frieda, returned from a friend's home. He had just put his car in the garage and was closing the garage door when he was felled by a shotgun blast.

Recently Paid Fine

Weidetz was one of more than 20 persons charged with being gambling operators in a Wheeling racket cleanup last fall. He entered a plea of guilty and was fined \$800 on a gambling charge.

In addition to the widow, Weidetz is survived by four children of a previous marriage.

### Chances Of Temporary Draft Are Increasing

By WILLIAM THEIS (U. S. Staff Correspondent)

WASHINGTON, March 23.—Another official warning that the nation's security is threatened by the growing crisis in Europe boosted the chances today of temporary draft legislation.

The warning was given behind closed doors by Secretary of State Marshall, Defense Secretary Forrestal and Army Secretary Royall. All three told the senate armed services committee that both the draft and universal military training are "absolutely necessary."

One prominent GOP senator who favors UMT said the strong case put for the draft now might kill the chances of passing the long-range training program.

Endorse U. M. T.

UMT drew a strong endorsement today, however, from the United States Chamber of Commerce. In a statement prepared for the senate committee, Clem D. Johnston of Roanoke, Va., put the chamber on record as opposing the "lure of false security." He said:

"The United States could have universal military training for 50 years at the cost of only one year (Continued on Page Two)

### Wide Area Of Nation Caught In Flood Grip

Hundreds Of Families Forced From Homes By Rising Waters

#### MISSISSIPPI RIVER GROWS MENACING

(By International News Service)

Flash floods and rain-swollen rivers and streams, fed by spring thaws, poured over rich bottom lands and towns in an 11 state area today from North Dakota southward along the Mississippi river and eastward to New York.

Hundreds of families already have been forced to flee from their homes and thousands of others were warned to be ready to leave on instant notice in several of the flood-threatened areas.

Two deaths have been attributed to the floods. A four-year-old girl was drowned at Midland, Mich., and a bride of 18 died when she fell from a raft at Stone Park, Ill.

Other States Affected

The flood area now covers New York, Pennsylvania, New Hampshire, Vermont, Massachusetts, Ohio, Iowa, Missouri and North Dakota.

The most dangerous flood area was reported developing today at Quincy, Ill., where volunteers worked throughout the night piling sandbags along a 300-foot section of the south Quincy levee on the Mississippi river. Early today levee officials reported:

"We are losing the fight."

The Mississippi river at Quincy, a town of more than 40,000 population, was seven feet above flood stage, and it was feared the river might break through at any moment and inundate about 6,000 acres of rich wheat land.

The Mississippi river crest is expected to reach the lock-and-dam 24 near Clarksville, Mo., tomorrow, and army officers said there was no cause for alarm below that point if no further heavy rains fall.

Among the heavy rains fall, the flood area were New York state and Pennsylvania. Rising waters drove hundreds of families from their homes in the Susquehanna valley.

Binghamton Is Hit

The Red Cross reported that 265 families were forced to evacuate their homes in the Binghamton, N. Y., area, and the Allegheny river isolated Warren, Pa., and flooded over several northwestern Pennsylvania towns.

A six-foot section of the Boston & Maine railroad track caved in near Newburyport turnpike at Canterbury, N. H. Surface floor water at Claremont, N. H., forced trains to reduce speed in that area.

At least \$75,000 damage was caused at Rutland, Vt., where the East Creek went over its banks. Ice jams were dynamited to release flood waters.

Damage In Ohio Valley

Heavy rains brought new flood damage to the Ohio valley. No more rain was forecast for today, however. A torrential downpour caused an estimated \$100,000 damage to Cleveland, including \$80,000 damage to the zoo.

The last two rivers in Michigan to reach the high water mark during the current flood season have begun receding and the state was free at least temporarily today from any further danger of serious flooding.

The Grand and the Saginaw rivers began falling this morning and most streams appeared to be safely below the flood stage even with statewide showers predicted for tomorrow.

### River Falling At Warren, Pa.

Believe Crest Of Flood In Northwestern Pennsylvania Has Been Reached

#### OIL CITY HAS 23 FOOT RIVER STAGE

PITTSBURGH, March 23.—(INS)—Flood waters throughout northwestern Pennsylvania were holding their own or receding at all points.

French creek, near Meadville, which had begun climbing again last night, reached its peak at two a. m. this morning and has been stationary since.

At Warren the Allegheny was falling after reaching a near record 17-foot flood stage. The Warren Times-Mirror had to suspend publication and almost their entire paper supply was endangered for a while.

The Warren General hospital was completely isolated by water and could be reached only by boat.

Titusville Flooded

A foot of water swirled through main street of Titusville as fire trucks steadily pumped away to keep flood waters from the city's water supply. The Titusville Herald was forced to move to Oil City in order to publish. All rail travel to and from the city was halted.

Oil City itself was deluged with 23 feet of water which was remaining stationary for the while. Streets in the northern part of the business district were covered with water.

### Eight Injured In Alabama Tornado

Twenty Are Made Homeless As Result Of Storm At Coldwater, Ala.

ANNISTON, Ala., March 23.—(INS)—Eight persons were injured and 20 others made homeless when a tornado roared through the nearby village of Coldwater last night and destroyed six homes.

Fortunately the twister missed the main section of Coldwater, a tiny community eight miles from Anniston.

No Deaths Reported

The injured were taken to the Anniston Memorial Hospital, where attendants said today that six were hospitalized and were in "fair" condition.

Telephone line workers restored partial service to Coldwater, although line crews had to stop work for a time last night when lightning electrified the damaged wires.

### Tremendous Blast Shakes Jerusalem

(BULLETIN)

JERUSALEM, March 23.—(INS)—A tremendous explosion believed centered in the Yemen Moshe area shook Jerusalem tonight.

The blast ended a day of comparative quiet in which a Jewish agency spokesman blamed United States reversal of its stand on Palestine partition for increased bloodshed in the Holy Land.

### Arthur Mometer

I do not pose as an expert on problems that cover the globe, unlike the lads down in Congress. I offer no pat panaceas for problems that worry and irritate, but I suggest we'd be much better off, if we'd roll up our sleeves and just work. I know the world wouldn't be perfect, but working hard is just that way, but working hard and talking much less, would help. 65 today.

### DEATH RECORD

Tuesday, March 23, 1948

Anthony Sniesek, 56, R. D. S, Smithfield street extension.

Thomas L. Ryan, 71, 1709 Hamilton street.

John Pecano, 61, 18 North Wayne avenue.

James Salvati, 60, 118 South Jefferson street.

# Gromyko Taken By Surprise

Britain's Attack On Czech Coup Is Blow

LAKE SUCCESS, N. Y., March 23. — (INS) — Britain's outspoken denunciation of Russian expansion is expected to give new impetus today to the United Nations' efforts to probe the Czechoslovakian question.

When the Security Council sits this afternoon, the United States and France will give strong support to Sir Alexander Cadogan's forthright condemnation of Soviet tactics.

The general opinion at Lake Success is that the British delegate's statement yesterday gave the Chilean complaint about Russian aggression a much-needed "shot-in-the-arm."

**Caught Russia By Surprise**  
Cadogan's citing of chapter and verse in his detailed account of Soviet expansion caught Russian Delegate Andrei Gromyko—and most of the other council members—by complete surprise.

His condemnation of Soviet policy is regarded as the first major move by one of the western powers toward blowing the lid off the smoldering east-west controversy.

The Chileans—actually acting in behalf of Jan Papanek, dismissed Czech delegate—charged that Russia created a threat to peace by aiding the Communist minority in Czechoslovakia.

Papanek, who sat at the Security Council table yesterday, presented a convincing case but gave only circumstantial evidence that the Soviets were guilty of aggression.

Of the 1100 varieties of trees in the United States only about 100 have enough commercial value to be of broad economic significance.

## EXPECT HOUSE TO PASS TAX CUT BILL ON WEDNESDAY

(Continued from Page One)

a rule from the rules committee permitting the bill to be called up tomorrow, Rep. Halleck (R Ind.) announced that a record vote of the House membership will be demanded.

Halleck predicts that the House will pass the bill and send it to the White House by the topheavy majority of four or five to one.

Halleck likewise is confident that the bill will be passed over a veto "if the President vetoes it." He is not convinced that the President will go through with his repeated decision.

The House passed its six billion, 680 million dollar tax cut on Feb. 2 by 297 to 120, or 19 votes more than the two-thirds majority necessary to override a veto. The Senate trimmed one billion, 835 million dollars from this bill on the ground that the tax cut was too large.

The provisions of the bill permitting married couples in all states to have their incomes to reduce taxes is regarded as a major reason for the overwhelming sentiment for the legislation.

Since this is now allowed couples in 12 states with community property laws, loud clamor has arisen that the other 36 states are being discriminated against.

The bill also cuts income tax rates five to 12.6 percent, increases the personal income tax exemption from \$500 to \$600, gives special exemptions to the aged and blind, and extends the splitting principle for married couples of state and gift taxes.

### Card Of Thanks

We wish to thank our friends, neighbors and relatives for kindness and sympathy extended us during our recent bereavement. Also for beautiful flowers and cars donated.

William Charles Stoner  
Daughter and Sons

## Deaths Of The Day

### Anthony Sniezek

Anthony Sniezek, aged 56 years, of R.D. 3, Smithfield street extension, died Monday evening at 7:15 o'clock, following a sudden illness.

Mr. Sniezek was born in Poland, June 15, 1891, son of Mr. and Mrs. Frank Sniezek. He lived for 39 years in New Castle, and was a retired Shenango Tin Mill worker.

The deceased was a member of the Madonna church and the K. K. Pulaski lodge.

Surviving are his wife, Mrs. Angeline Sniezek, and sons, Walter, Stanley, Frank, Eddie and Ted, all of New Castle; and daughters, Antoinette, and Mrs. Clara Murksi, of New Castle.

He leaves two sisters: Victoria and Josephine, of Poland, and a brother, John, of Poland, and four grandchildren.

On Wednesday, March 24 at 10 a. m., funeral services will be conducted from the residence and a requiem mass at 10:30 o'clock in the Madonna church, Rev. Edward Pikulik in charge.

The body has been returned from the J. R. Noga and Sons funeral home to the family residence, R.D. 3, Smithfield street extension, where friends may call.

Funeral arrangements are not completed. Interment will take place in Leechburg.

## Walter Bright Dies Today At Leechburg

Miss Blanche Bright and Charles Bright, both of 1510 Hanna street, received a message telling of the death of Walter Bright, at his home in Leechburg, Pa. Death occurred this morning after an illness of two years.

Mr. Bright, a former resident of this city, was a son of the late Mr. and Mrs. John M. Bright.

Survivors in addition to the New Castle relatives, include a sister, Mrs. Harry J. Black, Baltimore, Md., four brothers, Fred Bright, Oil City, Stanley Bright, San Antonio, Tex., John Bright, Bedford, O., and Vennor Bright, Warren, O.

Funeral arrangements are not completed. Interment will take place in Leechburg.

## PLAN SHARP REBUFF TO YUGOSLAVIA ON FUTURE OF TRIESTE

(Continued from Page One)

este over to Italy a demand for the province of Gorizia, an entirely Italian populated area. That was proposed again by Simic.

The State Department also is expected to take note of Yugoslav claims that the three western powers which proposed the return of Trieste to Italy acted behind the back of Yugoslavia.

Yugoslavia's proposal was viewed by the State Department as having two weaknesses. These are:

**Weaknesses Seen**  
1. Yugoslavia is mistaken in assuming that she has a voice in the future of Trieste. The international agreement for Trieste was agreed upon by the big four powers as an escape from the deadlock created by Russian demands that it be given to Tito.

The U. S., France and Britain had maintained that the entire area should be Italian. The compromise did not give Yugoslavia any part in the control of Trieste created. It was to become a ward of the United Nations.

2. Gorizia always has been an Italian area and Italy's title to it has not been questioned. Thus Yugoslavia, in her proposal, offers Trieste, which is not hers, to Italy for property which is Italian.

However, Yugoslavia's quick reaction to the three-power proposal appears to be a somewhat conciliatory tone, is regarded as a break in the tension surrounding the area following the announcement of the move to carry the matter to the United Nations.

## NEED 100 MEN FOR GUARD UNITS

(Continued from Page One)

a Universal Military Training bill is passed, members of the National Guard will be exempted if they are in before the bill is passed.

The committee meeting with Col. Mitchell was made up of business and professional men, men from various plants in the city and representatives of labor. They agreed with Col. Mitchell that something should be done to spur recruiting immediately.

One of the measures which will be adopted will be a "Flying Squadron" composed of officers of the 229th Battalion who will go over the county during a week to be designated later.

**Name Officers**  
Officers of this sponsoring committee were named Monday night. Former sheriff Clyde D. Badger, a veteran of World War II, was named chairman. Register and recorder, Orville Potter, a veteran of World War I, was named vice chairman. J. C. Wachtman, executive president of the Greater New Castle Association and a veteran of World War II was named secretary.

The need for enlarged armory space was discussed and a committee named to look into it.

## THE INQUIRING REPORTER

QUESTION: "Are you considered a good cook?"

ANSWER: (By Mrs. Henry Rohm-macher, Balt., Md.) "Mr. Roh-macher thinks so. Of course, I always serve him the best of everything . . . and that includes the new, richer 'custom-roasted' Boscul Coffee." A good idea, Mrs. Roh-macher? Of all leading coffees, only Boscul's "custom-roasted" by electronic control before blending—to give you more flavor per cup, more cups per pound!

## Register 1,360 Bicycles Here

One thousand, three hundred and sixty bicycles have been registered here since the ordinance calling for registration was adopted.

A charge of 50 cents per registration is imposed, which shows the city has collected from this source \$680.

According to Police Chief Robert D. Hanna, registration of bicycles will be held between nine a. m. and four p. m., Wednesday. It will be the last opportunity to register bicycles for some time, he added.

## PRESIDENT TRUMAN EXPECTED TO TAKE ACTION IN STRIKE

(Continued from Page One)

was made to aid the coal operators, who have dishonored their agreement, and to further defraud the beneficiaries of the welfare fund. We could not therefore, recommend its acceptance by the individual mine workers.

"There is only one issue: I. E., shall the existing agreement be honored?"

**Expect President To Act**  
Ching previously announced that if Lewis spured the offer, "the next step would be to report to the White House."

Mr. Truman is expected to invoke the emergency section of the Taft-Hartley law which calls first for a board of inquiry and then an 80-day court order against the strike.

Just a year ago Lewis and the union paid a \$710,000 fine for violation of a court injunction against a mine shutdown.

The government's final effort to mediate the current walkout was made Monday in a joint meeting of coal operators and UMW representatives which Lewis boycotted.

## CHANCES OF A TEMPORARY DRAFT ARE INCREASING

(Continued from Page One)

such war as was just recently ended. As businessmen, we think UMD is preferable to a large, expensive standing armed force."

Sen. Gurney (R S. D.), committee chairman, said he feels that the ten out of 13 committeemen who heard the cabinet trio left the meeting feeling that "it is absolutely necessary to have quick passage of both measures."

**"More Impressed"**  
Sen. Bridges (R N. H.), senate appropriations chairman, said he was "more impressed" by the conference with the secretaries than he has been in any previous meeting with the security chiefs. He added:

"The dangers are such that I see the necessity of immediately bringing to authorized strength the manpower of the armed services."

Bridges and other senators who have been primed with questions on the necessity of the draft proposal said they are "satisfied" with the picture presented by the cabinet officers. Gurney reported that the senators were given a statement on the "generally critical and more progressively serious situation in Europe."

## FAITH

## JUSTICE

We often wonder just how justice is measured out, or what rule, those who do this particular work, follow. We really don't know of any rule or law that regulates the penalty that can be handed out to different persons for different refractions of the law.

We note that sometimes certain persons are given a certain sentence for something they have done, and another person who seems to have done the same thing, is given a different sentence.

You see where some people are willing to take from their fellow citizens anything they have, even their life, if necessary, to steal their worldly goods. Would a stiffer sentence discourage this continuous robbing of their fellow citizens?

## Attorney Drake Funeral Time

Funeral services for Attorney Homer C. Drake will be conducted Thursday afternoon at 2:30 o'clock, from the Offutt funeral home. Burial will be in Oak Park cemetery.

Friends may call at the funeral home, tonight at 7 to 9 o'clock, and Wednesday, 2 to 4 and 7 to 9 o'clock.

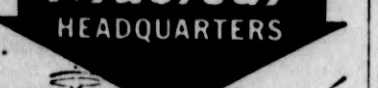

## John Pecano

John Pecano, aged 61 years, of 18 North Wayne avenue, died Monday at 12:15 p. m. at his residence following an illness.

He was born June 24, 1886, in Cascano, Italy, son of Michael and Margaret Pecano. For the past 30 years he has been a car man on the Pennsylvania railroad. The deceased had been in this country for the past 41 years and was a member of the Christopher Columbus society and St. Lucy's church.

His wife, Mrs. Julia Pecano, to whom he had been married 35 years, survives, and the following

## FINE ARTS TEA REVIEW-MUSICALES

Mid-spring tea for the Fine Arts department of Woman's club was given Monday afternoon in the home of Woman's club president Mrs. J. Edward Everett, 318 Fairfield avenue, Monday afternoon.

To open the program, Mrs. Ben Agnew, program chairman, presented Mrs. John F. Love, pianist, who played two selections, "Etude in D flat" by Liszt and "Revolutionary Etude" by Chopin.

In the absence of the chairman, Mrs. E. L. Stitzinger, co-chairman Mrs. E. L. Thompson presided and introduced Mrs. Samuel G. Staats, who gave a splendid review of Agnes Sligh Turnbull's book "The Bishop's Mantle". Her presentation received warm applause.

During a short business meeting members were urged to volunteer for work on the cancer drive by Mrs. Fred Haltnorth.

Bringing to a close a very delightful afternoon, tea was served from a table attractively decorated with an arrangement of tulips and jonquils and ivory tapers in crystal holders. Mrs. E. L. Thompson presided.

On the tea committee were Mrs. Walter A. Trimble, Mrs. George H. Perry, Mrs. LeRoy R. Simcoe, Mrs. G. Wilfred Thomas and Mrs. Ernest L. Vincent.

Next meeting will be May 24 when Mrs. Alvah M. Shumaker of Willow Brook Farm, New Wilmington, will be hostess.

## CLARK-SNYDER VOWS PLEDGED

At a double ring ceremony performed in the parsonage of Christ Lutheran church Miss Pearl M. Clark, daughter of Mr. and Mrs. George Clark of Ellwood City, R. D. 2, and William H. Snyder, son of Mr. and Mrs. C. C. Snyder of R. D. 7, were married on Friday afternoon, March 19, at 1 o'clock. Rev. Martin H. Loback officiated.

The bride, who wore a street-length dress of navy blue with black accessories and a corsage of gardenias and roses, had as her attendant Miss Dorothy Price.

James McClain served the bridegroom as best man.

Mr. and Mrs. Snyder left on a wedding trip to West Virginia and upon their return they will make their home for the present with the bride's parents.

## MUSKINGUM STUDENT PLEDGED TO WAWYIN

NEW CONCORD, O., March 23.—Miss Mary Eagleson, daughter of Dr. and Mrs. Robert M. Eagleson of 1406 East Washington street, was recently pledged to the Wawayin social club at Muskingum college.

Miss Eagleson is a freshman at Muskingum and is majoring in home economics. She is a graduate of New Castle high school where she was active in the dramatic and musical organizations.

She will leave Wednesday to spend a vacation over Easter at her home.

## CHANDLER-RAUB NUPTIALS QUIET

Quietly solemnized in the study of the Highland U. P. church on Saturday morning, March 20 at 10:30 o'clock, with Dr. D. L. Ferguson officiating, was the wedding of Miss Clara Marjorie Chandler, daughter of Mr. and Mrs. Hanford Chandler, of Lowell, O., R.D. 3 and Robert F. Raub, son of Mr. and Mrs. Forrest W. Raub, of 138 East Winter avenue. The single ring ceremony was used.

The bride wore a suit of aqua gingham with brown accessories and her flowers were a corsage of gardenias and pink roses. She was attended by the groom's sister, Miss Madelyn Raub, who wore a beige suit with dark blue accessories and a corsage of pink roses.

Robert Vannetten served the groom as best man.

In the evening there was a reception for 60 guests in the home of the bride's parents.

Mrs. and Mrs. Raub have returned to New Castle and are at home in their newly furnished apartment at 110 East Wallace avenue.

Mrs. Raub attended Dexter City, O., high school and Mr. Raub, a graduate of New Castle senior high school, served two years on the U. S. Navy and is now employed at the Chevrolet Keystone Company.

## TICKEN-FLANSBURG VOWS EXCHANGED

Miss Geraldine Ticken of 318 Highland avenue became the bride of Jack D. Flansburg of 225 West Falls street at a wedding solemnized in the study of Highland U. P. church Saturday evening at 8:30 o'clock with Dr. D. L. Ferguson officiating in the presence of a gathering of 18 friends and relatives.

The bride wore a solid wool crepe dress fashioned with a high slit neckline, short sleeves and skirt in the new slightly longer length, and with it a matching hat, black accessories and a corsage of orchids.

Mrs. Claudis Delaney as her sister's matron of honor wore a black crepe dress and hat with white accessories and a gardenia corsage.

Mr. Delaney served the groom as best man.

Following the ceremony, Mr. and Mrs. Delaney entertained at a reception in their home, 228 Englewood avenue.

Dispensing with a wedding trip, Mr. and Mrs. Flansburg are at home to friends in their apartment at 318 Highland avenue.

Mrs. Flansburg is ready-to-wear buyer for the New Castle Store and Mr. Flansburg is branch manager for the National Grain Yeast Corporation. She is the daughter of Mr. and Mrs. Fred Ticken of Jeanette, who were among the out-of-town guests at the wedding. He is the son of Mrs. John W. Flansburg of 225 East Falls street.

Grand Auxiliary

On Thursday afternoon, members of the Grand Auxiliary of the Brotherhood of Locomotive Engineers will meet at 1:30 in green room of Y.W.C.A.

## DINNER GIVEN ON 57TH ANNIVERSARY

Mr. and Mrs. James W. Gilmore observed their 57th wedding anniversary quietly at their home at Enon Valley on March 19.

Dinner was served in the evening to members of the immediate family by their daughter, Mrs. William Nesbitt, assisted by her daughters, Miss Louise Nesbitt of Beaver Falls, Miss Velma Jeanne Nesbitt and Mrs. James G. Nesbitt, of East Palestine, O., her daughter-in-law.

Lovely gifts and flowers were received by the honored couple; also cards, phone calls and a congratulatory telegram from their grandson, Arthur W. Nesbitt, a student at Penn State college.

Mr. and Mrs. Gilmore have resided at their farm home in Enon Valley during their entire married life. She was a daughter of William Scott and Mary Ann Grant Cunningham of Darlington. He is a son of the late David Waugh and Katharine Vaughan Gilmore of Enon Valley.

The couple were married at the bride's home by the late Rev. John S. Dice of Enon Valley, on March 19, 1891.

One grandson, James G. Nesbitt, is a teacher in the East Palestine high school.

## MCGILL SOCIETY GATHERS MONDAY

McGill Missionary society of the Highland U. P. church was entertained in the home of Mrs. David Tomkins, 509 Norwood avenue, on Monday evening when Mrs. Arthur Canning was co-hostess. Mrs. George Detwiler, devotional leader, presented a playlet in which she, Mrs. R. H. Johnston and Mrs. Gerald McCoy took part.

"India" was the evening's theme with Mrs. William Headings, program chairman, presenting Miss Nora Hodge whose topic was "A Witnessing Church" and Mrs. Dale Marburger who discussed "Methods, Old and New, To Evangelize India".

A Current Review of Work in India" was given in response to roll of which Mrs. D. L. Ferguson had charge. Mrs. Robert Mills conducted the prayer cycle.

Mrs. William Headings, newly-elected president, named the following committee chairmen: devotion, Miss Gertrude Graham; literature, Mrs. Donald Headings; prayer cycle, Mrs. Arthur Alexander; program, Mrs. George Detwiler; social, Mrs. Lloyd McCormick; and membership, Mrs. Arthur Canning.

Dainty refreshments were served buffet style from a tastefully decorated table, centered with Easter appointments. Mrs. McCormick aided in serving.

Mrs. Walter Boron, 1701 Audley avenue, will receive the group at her home Monday evening, April 26.

## BAIRD GROUP TO HAVE LUNCHEON

Members of the Baird Missionary society of Highland U. P. church will gather Wednesday afternoon, March 24, at 12:30 o'clock in the church for their spring luncheon. Mrs. S. G. Ligo and her committee will be responsible for arrangements.

Following serving, Mrs. Clarence Tilton will review the book "Dr. Ida India". "India" will be the afternoon's theme.

## WILMINGTON COUPLE MARRIED 50 YEARS

For Mr. and Mrs. William Cress of New Wilmington to celebrate their golden wedding anniversary, their son and daughter-in-law, Mr. and Mrs. Nelson Cress of 200 Cleveland street, Butler, will hold open house on Wednesday afternoon beginning at 2 o'clock.

Mr. and Mrs. Cress are former residents of Butler.

Birthday Surprise

As a surprise for Mrs. Joseph Kneram of 317 East North street on her birthday Monday, a group of 20, including her children and friends, assembled at her home Monday evening.

Games and music were the entertainment during the evening and Mrs. Kneram received a shower of lovely remembrances of the day.

Later in the evening refreshments were served by aides, Mrs. Paul Sonntag, Mrs. Anna Book, Mrs. Mary Daly and Mrs. Thelma Lee.

## JAMESON-SHENANGO ALUMNAE WILL MEET

Jameson-Shenango Alumnae Nurses Association will meet this evening at 8 o'clock in the Jameson Memorial Hospital nurses home on Wilmington avenue for the regular monthly business meeting.

Campbell-Byler Wedding

Miss Eleanor Campbell, daughter of Mrs. Frank Campbell of 901 Croton avenue, was united in marriage to Herman Byler, Jr., son of Mr. and Mrs. Herman Byler, R. D. 1, Edenburg, on Saturday afternoon, March 20, at 3:30 o'clock in the home of the groom.

Rev. Edward Truran, pastor of the Sampson Street Alliance church, performed the ceremony.

Katherine Latas, a friend of the bride, served as matron of honor while Fred Cifra served as best man.

Mr. and Mrs. Byler, Jr., have taken up residence at Philadelphia, where Mr. Byler is serving in the United States navy.

Dinner Given

To mark Albert Morrow's birthday on Monday, his mother, Mrs. Cassie Morrow, of 341 Neshannock

avenue, entertained at a turkey dinner for members of the family Monday evening.

Games were a pastime after dinner and the honor guest received a shower of gifts.

## HELP THEM PRODUCE FOOD

Although there is a common belief that world hunger is attributed to the fact that food production is far below the prewar volume, this is not the case. World food production is only seven per cent below prewar figures.

In many important categories, such as wheat and coarse grains, food has almost regained prewar production, and better crops are expected this year. But the world has gained 10 per cent in population since the war began despite the staggering loss of life during the conflict. This gain is what is pinching the supply of eatables.

It is now clear that merely regaining prewar production of food will not be sufficient. Food production should be stepped up at least 10 per cent. A 25 per cent hike would not create surpluses. Before the war many people did not have enough to eat.

How is this increase in food production to be attained? The United States is one of the few countries that has succeeded in increasing their crops. That is because better methods of cultivation and management of the soil have been adopted. But in this country soil resources are pictured as deteriorating.

The best world program, when the political situation has settled down, will be to teach backward countries how to get the most out of their land. They lack modern machinery and the know-how of fertilization and conservation methods. River valleys must be controlled to prevent floods and provide irrigation. Millions of acres must be restored to production through reclamation projects.

The objection that this would cancel some of America's export markets is hardly relevant. America is gaining population and will require more food, too. And if this sphere is ever to be converted into a peaceful world, starvation must be eliminated. Hunger breeds war.

## ON ITS MERITS

Something extraordinary happened when the House Judiciary Committee approved a proposal to elect Presidents by what amounts to popular vote instead of by the present electoral college system. For once, at least, partisan considerations did not keep the majority from supporting a reform advocated by a member of the minority.

The decision of the Republican-dominated committee was the more remarkable because the purpose of Representative Gossett, Texas Democrat, author of the proposed constitutional amendment, could hardly be called non-political. His announced aim was to lessen the influence minority groups now wield in doubtful states. He explained that both parties now make "special appeals" to such groups that would be less likely, presumably, if the system were changed.

This explanation can be judged against the background of southern charges that President Truman's recent civil liberties message was aimed at getting the Negro vote—among others, in northern cities. But the Republicans can leave it to the Democrats to do most of the worrying about minorities this year. The Wallace third party movement promises to make them a gift of the electoral vote of a number of pivotal states.

However, the Gossett resolution cannot become a part of the Constitution before the election. So it is to be judged on its merits as a long-term reform. Because it would keep the electoral college, but apportion the number of electors in accordance with the vote of each party in each state, it would insure that the choice of the people would be placed in office.

The committee must have decided that this argument is conclusive.

## THE KISS IN POLITICS

Kissing has long been recognized as a legitimate weapon of American politics. Baby-kissing, that is. Looms now, along with communism, the South's states rights revolt and MacArthur, the spectre of a potential A-bomb of the ballot box: the full-bodied political kiss, administered by a virile politico, smack on the lips of critical but receptive women voters.

The devastating new oral blockbuster has already had its Hiroshima. It occurred right on Fifth Avenue in New York City, and the protagonist was none less than Gov. James E. (Big Jim) Folsom of Alabama.

Unmindful of the pretty divorcee who has named the kissing governor as father of her 22-month-old son, some 80 gorgeous girls broke through police cordons and fought their way into his arms. Said a reporter: "He kissed 'em all." A crowd of 2,500 was on hand loved the show.

The effects of this performance on eager-to-please candidates of the 1948 elections should be profound, indeed. Hundreds may be compelled to give up cigars. Barbers and perfume counters should be swamped by office-seekers. No longer would it be necessary that a vice-presidential candidate hail from a different region than the ticket's top contender. A single standard would prevail: Can he kiss or can't he?

Of course the electorate might decide to apply the boot instead of the lip and root out the men running on the kissing ticket.

Those 21-ton bombs the Army is experimenting with can hardly be said to come in the large economy size.

## In View Of News Of The World

By J. C. Oestreicher, INS Foreign Director

The Anglo-American-French proposal to revise the Italian peace treaty and give Trieste back to the Romans promises today to become a major factor in restoring the equilibrium of Europe.

Full results of the decision may not be known for some time. Soviet Russia certainly will want to know how far revision may go. And her inquiries may elicit information that American troops are to remain in Trieste almost indefinitely.

But whatever the eventual outcome may be, Yugoslavia is certain to remain bitterly resentful at the very least. From a purely possessive point of view this is entirely understandable. For in the battered wreckage

of Europe there are not too many places left that have the loveliness and charm of this great port on the Gulf of Venice.

It is common knowledge that one of the happiest continents of the United States occupational army is Maj. Gen. Bryant Moore's magnificent 88th "Blue Devil" division stationed at Trieste.

Magnificent Climate The familiar refrain "we want to go home" probably is less often heard there than anywhere else in Europe or the far east. This is due in large measure to the fact that Trieste itself is not only important militarily and strategically. Except for strong winds during part of the winter, its climate is magnificent.

Like many old Roman cities, Trieste has beautiful buildings and churches, none of them damaged by this war at any rate. Its water is warm and blue and the countryside has a mellow charm that once experienced is never forgotten.

There is at least some reason to believe, however, that despite all his blustering Tito actually may have written off Trieste as a loss.

For many months, Yugoslav and Soviet men and money have been poured into the less attractive but also important port of Fiume to build this up as a Danubian outlet to the detriment of Italian trade and traffic through Trieste.

At the same time, of course, communist agents have been losing no time in the latter city, hoping that it can be made to contribute its part toward a red victory in the Italian elections scheduled for April 18.

At observers sympathetic to the cause of western democracy hail the allies' move regarding Trieste as a master stroke of diplomacy that may in itself have an important bearing on these same elections.

Predictions were made not long ago that major concessions were planned for Italy as perhaps the last counter-offensive to Soviet propaganda and expansion. The realization that they were voting for Trieste if they were against the communists has now been driven home to every man in Italy.

## The Parent Problem

By Garry C. Myers, Ph. D.

## WHEN CHILD IS AFRAID TO RECITE

Some while ago I wrote of the needless fears teen agers have when making oral book reports before their class at school. I entreated teachers to reduce the usual amount of adverse criticism by them and the other students and to try to create a more comfortable atmosphere for him as he tries to think and talk while on his feet.

Came the following letter in reply to that article: "Dear Dr. Myers: I have been pined from the freshman class of our high school to write and tell you about our oral book reports.

"My teacher read your article in the paper. It was about teen agers who are afraid to get up in front of the class and give oral book reports.

"One paragraph in that story told about a class that had discontinued because pupils were always absent when it came time to give their report.

"Mrs. ——— thought you would like to know the system she uses. The pupil gives his book report. Then Mrs. ——— puts down his good and bad points on a sheet of paper with his grades. This she gives to the student.

"Out of all the four high school grades of approximately 125 pupils, 5 would not give their reports. We think we have done quite well. We also thought it would interest you."

Expressed Pleasure In answering this student I expressed pleasure over the information of her letter and the fact that her teacher and classmates were frankly facing this problem cooperatively in a democratic way. Also I expressed the hope that the teacher often conferred with the pupils individually over the paper.

(Continued on Page Five)

## Jobs Upon A Time

Actor Charles Coburn was born in Macon, Ga., and commenced his career as a program seller in the Savannah theater. At 17 he became manager of the theater. Coburn then went to Chicago where he played in stock and subsequently toured in many plays. His first film was in 1937, in "Of Human Hearts," and he has been in pictures ever since, winning the Academy award in 1943.

Movie and Radio Actor Frank Morgan tells many humorous brags and "tall tales" on the air, but his own life has been so full of weird experiences that they sound like exaggeration. He has been a cow puncher, ship's stoker, door-to-door salesman, advertising man, vice president of an international business concern, as well as acting star of stage, screen and radio.

## Hints On Etiquette

If you have to share a room, at a hotel, college or living quarters, don't take up more room for your belongings than your share. A person who is careless in this respect may find himself or herself without a roommate before very long.

About 40 percent of the timber taken from American forests is used as lumber. Fuel takes 28 percent, pulp takes 6 percent and other uses consume 11 percent. Fire and insects destroy 15 percent.

## But Is It Here To Stay?

## Some Washington Comment

WASHINGTON, March 23. — The United States Air Forces shortly will turn loose its 32,000 horsepower Flying Wing jet bomber on a transcontinental speed dash aimed at breaking all records.

The huge, eight-jet, unorthodox XB-49 is poised to speed from the west coast to Washington at a rate between 500 and 600 miles an hour.

The record for bombers cross-country is 450 m. p. h., set by Col. C. S. Irvine in a B-29 Superfortress in December, 1945. The all-out record is 580 m. p. h. hung up by Col. Bill Council in a Shooting Star jet fighter in January, 1946.

There is a possibility the Wing may even break the record of the tiny Lockheed fighter piloted by Council. In any event, the flight will doubtless establish the "plane-with-no-fuselage" as the world's fastest bomber.

The Jet Wing will lift over 100 tons gross weight. It carries a crew of 13 and flies at an altitude of six miles.

When several miners had their income tax returns rejected recently because the government would not accept deductions for work clothes, the miners decided it was time to act.

With a committee of the Shenandoah general mine board, the miners, members of United Mine Workers, Maple Hill Local 807, went to the internal revenue office in Philadelphia.

They showed the startled officials their gun-boots, hard hats, and muzzles. One miner described the meeting this way: "We had everything with us but the sulphur water that drips from a miner's coattails."

Government officials quickly decided that work clothes were not for street wear and were tax deductible.

Washington's society reporters, who record most of the gossip tidbits gleaned at smart cocktail parties, failed to report that the Iron Curtain has descended on the Soviet embassy's social list.

Attendance at the embassy's intermittent social affairs has frequently indicated Russia's status and popularity in the world. Before and during the war, the big mansion on 18th street was jammed with guests and liquor flowed freely.

Since the bitter debate at the United Nations, the atmosphere has cooled. On the recent Soviet Army Day, most of those invited showed up. They represented Iron Curtain countries. However, all newsmen and photographers were barred and the incident was almost ignored by press and radio.

An undercover feud is going on between the House and administration officials over the question of whether records can be subpoenaed. Secret files are generally held to be confidential.

Latest incident is Secretary of Commerce W. Averell Harriman's refusal to submit records on Dr. Edward U. Condon, head of the Bureau of Standards, to the House un-American activities committee.

Rep. George MacKinnon (R., Minnesota, thought there was a "pattern of secrecy" which the administration had followed throughout the last and current session of Congress. He saw the same tactics used in the inquiry of Edwin W. Pauley's grain speculation.

Opportunities for higher education are increasing . . . a New York City high school has started a course in beer brewing.

The passing mark will be 3.2 and honors will be 90-proof. And fathers are not supposed to help with the homework.

While brewing for the board of education is a little irregular, the feeling was that the schools were not producing enough men of distinction.

Attendance the opening week of school was good and not a single student played hiecy.

I don't know whether that was because the course is interesting or because the truancy officer carries a bang starter.

But the schools have been changed a lot since debating was considered a daring innovation.

All eyes are turned toward next Sunday . . . which will be Easter . . . those who are wanting to join the parade are hoping that the weather will be no worse than that enjoyed Palm Sunday . . . From all indications . . . the merchants doing the indicating . . . This Easter Parade will be a very colorful one . . . the so-called new look will be very much in effect . . . and probably will affect many a young blade.

With spring weather here . . . many a person has asked . . . not only themselves but others . . . what will this community do regarding daylight savings time? That of course can't be properly answered now . . . for the question will be asked on the spring ballot . . . But some have gone further and asked how did New Castle stack up with other communities last summer on the time basis . . . According to official records on the subject . . . Only 160,000 of Pennsylvania's population last year did not use daylight time . . . of that figure New Castle accounted for one-third . . . The towns that retained standard time were:

Alden Dupont  
 Bentleyville Farrell  
 Bobtown Glen Lyon  
 Canton Hillside  
 Carrolltown Lansford  
 Centrailla Lee  
 Colver McDade  
 Conyngham Typ. McClure

The above figures were taken from a list of 284 communities . . . the 30 listed above were the "slow" towns . . . Thursday evening the "Valley Forum of the Air," WKST, will tackle the subject . . . for and against daylight time . . . it might prove to be very interesting.

Almost every week in the year has been or will be designated as "This or That Week" . . . what say we set aside a week and call it "Leave Us Alone Week" . . . during that week no one can ask anyone for contribution . . . or sell a membership or any of those little things . . . It's a thought.

## "Kissing Jim" Is Distasteful

By PAUL GALLICO

You will forgive me if I ask your leave to devote today's space to expressing my distaste for a party by the name of James E., or Kissing Jim, Folsom, the oscillatory Governor of Alabama, a big, six-foot-eight mountain of a man who has been making quite a spectacle of himself of late.

It is not an easy piece to write and I hope you will bear with me if my foot slips on protocol. For instance, I feel the urge to inquire, "How did a clunk like that ever get to be governor of one of the sovereign states of the U. S. A.?" but do not know whether it is proper or permissible to refer to a governor as a clunk.

Or perhaps it might be better if I called him Mr. Clunk, or maybe it is "His Excellency, The Clunk, Governor of Alabama". If it were in England there would, of course, be no difficulty. I could then address him quite properly as "Sir Clunk," and refer to him as "His Clunkship".

## Kissing All The Girls

Well, then I would have to make up my mind what I am so about, and at whom. If I just say, "That Folsom, he goes around kissing all the girls," somebody is sure to remark: "Huh, what's wrong with that if you can get the girls to hold still and kiss back, and are you, Mr. Gallico, prepared to take an editorial stand against kissing?"

Right away I am backed into a wrong corner, because I am not against kissing young ladies. I think it is one of the most pleasant pastimes in which one can engage. I only seem to find it revolting when Brother Folsom participates in it, which is in itself a curious phenomenon, and further adds to the confusion of this weird article.

I could say that Jimmy is so doggone public with his kissing and doesn't seem to be able to pucker up and deliver unless he is covered by the lenses of a couple of press photographers, but you can shoot both these statements full of holes. Lots of people kiss in public, like saying hello or goodbye at trains, or maybe you sneak one on the dance floor, or standing by the rail of a ship in the moonlight with your girl, and nobody bothers for the police, and as for Governor Folsom not being able to operate his kisser in private without benefit of cameras, you know that just isn't so, because the paternity suit heaved at him by Mrs. Christine Putnam Johnston would indicate that at least someone believes he can deliver behind closed doors.

## Political Kissing Accepted Method

And besides, darn it all, political kissing has been an accepted method of campaigning in America for years. Candidates going about and bussing babies is a part of our daily life, and if some people find it disgusting, and unsanitary, the candidates themselves apparently have found it eminently practical for vote-getting purposes or they wouldn't do it. And if Folsom was smart enough to work it out so as to combine a little pleasure with business by substituting babies for babies, what am I tracking up good white paper for in complaint?

Of course, when Kissin' Jim came up to New York a week or so ago and got himself lipsticked by a bevy of models he wasn't exactly running for anything, but lands sakes, New York is just full of young men who work like Billy-O every night to smooch a little lipstick from just on emodel, investing in champagne, mink coats and emerald and diamond clips, and here this big lug—forgive me, the Honorable Lug—from Alabama, walks in and get it wholesale.

Maybe it's the editors and newspapers I ought to be sore at for giving space to photographs of this public nuzzler at his work. Out of sight would be out of mind. The art department wastebasket is the place for that kind of trash and you can't convince me different. I guess maybe I'd like to let it go at that.

(Distributed by McNaught Syndicate, Inc.)

## Bible Thought

Brethren, my heart's desire and prayer to God for Israel is, that they might be saved. For they being ignorant of God's righteousness, and going about to establish their own righteousness, have not submitted themselves unto the righteousness of God. For Christ is the end of the law for righteousness to everyone that believeth. Romans 10:1,3,4.

## They Say

WASHINGTON—Sen. Flanders (R) Vt. . . "We in the senate are determined not to make a farce out of rent control. The house bill would give too much authority and responsibility to the local boards and chances are people with an axe to grind will become members of the board."

BOSTON—Stanislaw Mikolajczyk, former Polish premier: "Russia plans to control the world by subjugating Europe without warfare and conquering the United States from within. The Soviet Union is carrying the war where Germany left off."

ROME—Palmiro Togliatti, Italian communist leader: "The western proposal on Trieste is a vulgar attempt to drag Italy into an atmosphere of war."

WASHINGTON—J. Howard McGrath, Democratic national chairman: "The Republicans are trying to wreck the labor department through slashes in its budget. It has been generous with funds to make the Taft-Hartley bill look good, but has crippled other functions by heavy cuts."

## State Police Say:

Discard those murderous beliefs. The "Other Fellow" concept. It is time to recognize that accidents can happen to you. Who can actually believe that some special dispensation forever especially guards him against an accident and act accordingly? The assumption is so obviously fallacious as to be absurd, and yet the very absurdity is the ghost that may be laid. You, as a person, may so act as to prevent accidents and to protect yourself from accidents, but you cannot with reason suppose for a moment that anyone will so act for himself—or for you.

## 'Sweet War' Of 50 Years May Be Concluded

By FRANK SNYDER  
(U. S. Staff Correspondent)

CHARDON, Ohio, March 22.—(INS)—A "sweet war" of 50 years standing between Ohio and Vermont is expected to be resolved at Chardon April 3.

The blindfolded governors of the two states will square off with spoons and jugs of maple syrup and then unflinchingly announce which of the two syrups is the most pleasing to the palate.

The two men, Gov. Thomas J. Herbert of Ohio, and Gov. Ernest W. Gibson of Vermont expect to settle the claims of sugar bush folks that "our maple syrup is the best."

Ohioans assert that buyers from Vermont have been purchasing their golden-sweet products in carload lots for many years, shipping it to Vermont and then selling it under "Made in Vermont" trademarks.

Expect 100,000 Persons  
Over 100,000 persons from both states are expected at the Chardon festival, which is being held from April 2-4.

The "war" between the states broke out anew last summer when William Loeb, editor of the Burlington (Vt.) Daily News, sent a gift of Vermont maple syrup to A. F. Davis, and industrialist in Cleveland.

Davis, disputed Loeb's claim that "Vermont syrup has no equal."

He filled a jug full of the sweet stuff from his own farm in Geauga county, labelled it "the best obtainable" and sent it to the newspaper editor.

The Geauga Maple Festival Association joined Davis "war of words," while the Vermont Maple Sugar Producers Association backed up Loeb.

The two groups decided to accept the "final" judgment of the two blindfolded governors at the festival.

In case of a deadlock, Roger W. Rills of Readers' Digest will be the final judge.

Vermont is the nation's leading maple syrup producer, with Ohio in third place.

Drive slow—children move fast.

## THE WORLD AND THE MUD PUDDLES

(Continued from Page Four)

on the part of the government to do anything—just let him starve himself. But it would not be long until the government officers entrusted to direct the workers of Great Britain would be empowered to do just exactly what the officers of the Soviets are entrusted to do. The worker would find himself absolutely dominated by his bosses. So you will hear a person say: "Oh, I am not a Communist; I am only a Socialist. Socialism is the great cure-all for all the ills of America." Well, that person would soon find out that he was in the same boat with the Communists.

And this conservative Englishman winds up his remarks by saying: "I want to put it to you that the people who supply you with the goods and services which you freely reject—these are the persons who are warranted and entitled to manage your affairs; that is the producers and not the politicians."

## Liquor Store Sales In Lawrence Co.

Sales in Pennsylvania State Liquor stores in Lawrence County in 1947 were today reported as being \$1,634,928. The individual store sales were recorded as follows:

New Castle: Produce Street—\$502,895; Liberty Street—\$95,075; Long Avenue—\$308,815; Jefferson Street—\$386,024; Ellwood City—\$284,709; Bessemer—\$57,408.

## HUGE SHIPMENTS

PITTSBURGH, March 23.—(INS)—A monthly average of 1,230 carloads of electrical equipment was shipped from the East Pittsburgh plant of the Westinghouse Electric Corporation during 1947, according to T. I. Phillips, vice president in charge of the plant.

Commenting on operations for last year, Phillips said the 1947 monthly average represents a new peacetime high and was exceeded in only two war years, 1943 and 1944.

Russia's great Volga river is about 2,200 miles in length, and is said to be navigable for almost its entire course.

## Bessemer Residents See Post Home Plans

Large Number In Attendance At Meeting Held In High School Building Monday Eve

Last evening's meeting in the Bessemer high school was largely attended by Bessemer residents. The meeting, sponsored by Earl J. Watt Post, American Legion, was designed to acquaint the residents of the Bessemer district with the plans the post is making for a new post home.

Architect's sketches which had been made into slides were shown after which Sgt. Charles J. Walsh, of the U. S. Army Recruiting Office, showed action pictures of the fighting in the Pacific during the war.

The regular post meeting was held later in the evening at the present post home.

## THE PARENT PROBLEM

(Continued from Page Four)

she handed them and that the classroom atmosphere would continue to improve to the point where those other five students would have the courage to report before the class.

Now let me discuss a similar problem. Utilizing my own memories and the testimonies of numerous high school and college students whom I have questioned, I conclude there is a very wide practice in high school and college by the teacher, of spending a good portion of many class periods at reading awkward statements from written compositions by individual students (though generally incoherent) to the entire class, with the apparent purpose to bring laughter from the class and a feeling of superiority to the teacher. Certainly it brings humiliation and discouragement to the student whose paper is read from.

Would it not be much better if the teacher would read selections that excel in expression? Also some such selections from some works of masters of English expression? This celebration of successes could be even more effective than in oral English since the personal element would be smaller. What we need always to keep foremost in our concern about how the learner of age feels when he tries to think and express his thoughts.

It's hard for any person to do his best at anything while fearing his efforts only will be ridiculed or he himself be portrayed as a fool. Apropos is my bulletin, "The Lonely Timid Youth," to be had in a stamped envelope by writing me at 235 East 45th street, New York, N. Y.

## Hear Testimony In Meat Strike

CHICAGO, March 23.—(INS)—The presidential board of inquiry investigating the week-long, nation-wide strike of one hundred thousand CIO packinghouse workers began hearing testimony today from a number of stockyard laborers.

Through this testimony the union is seeking to prove that the wage demand of 29 cents an hour is justified.

The strike was called a week ago today after the packers turned down a last minute union agreement to accept a 9-cent-an-hour raise if the remaining 20 cents be submitted to arbitration.

The board of inquiry, which is empowered only to sift the facts in the strike, expected to wind up its hearings tomorrow and then prepare its report to President Truman by April 1.

Enon Valley Girl Hurt In Accident At Mt. Jackson  
Miss Sabina Wallace, 16, of Enon Valley, R.D. 1, was treated in the Jameson Memorial hospital for a deep laceration of her right leg which occurred in an auto accident about 5.25 p. m. yesterday in Mt. Jackson.

According to State police, she was riding with Ina Wallace, Enon Valley, R.D. 1, whose car collided with that driven by Delma M. Sanford, 1805 East Washington street, New Castle.

The State Police were told that the car driven by Sanford, which was being driven from Edenburg on Route 551, ran into the car driven by Ina Wallace on the Mt. Jackson-Edenburg road.

### HOW TO BE NEAT

"My mother is forever criticizing me for not being neat about my personal appearance, as well as my bedroom. I have many times tried to break myself of my slovenly habits but without success. Can you help me?"—Reader.

Answer: There is only one way this condition can be corrected; or better still, eliminated and that is through perseverance. Some people are born with a sense of neatness and order; others must strive constantly to so train themselves. It really isn't so difficult if you exert a little ambition.

Resolve to turn over a new leaf. Never leave your bedroom upset. Hang up every item of clothing. Remove all evidences of cosmetics from your dresser or bureau top. When you have finished your dressing, see that your toilet articles are neatly arranged—that your boudoir chair is unencum-

bered with stockings or other discarded wearing apparel. With a little care, your bureau drawers can be kept neat. Most untidiness is due to too much haste—allowing too little time to dress for an appointment.

As for personal neatness: That results from personal pride—not wanting to be seen even by our homefolk unless we look clean, and well-groomed. This is accomplished only by a weekly shampoo, a neat hairdo, well-pressed and unspotted clothes, straight heels on well-kept shoes (regardless of their age), stockings with straight seams.

Anyone with a mite of determination and self-respect, no matter how poor, can be always neat and well-groomed.

Miss Markel will promptly mail personal answers to questions from any readers including a self-addressed, stamped envelope.

### TO RECEIVE GRANT

PHILADELPHIA, March 23.—(INS)—Eve Curie, daughter of the discovered of radium, will accept a \$10,000 grant from the American Cancer Society at a dinner March 31 in Philadelphia commemorating

the 50th anniversary of radium's discovery. She will be guest of honor at the dinner which opens the society's national drive for \$160,-

000,000. The grant will be used for the furtherance of radium research by the Curtis Institute in Paris.

# HEALTH NEWS

**STOMACH AILMENTS, WEAK KIDNEYS, RHEUMATIC PAINS, ARTHRITIS, NEURITIS**

SIXTY years ago, Dr. Horst, a German scientist, discovered the source of GEO-MINERAL. In a remote spot in Mississippi, he found that in several small areas, about fifteen feet below the ground surface, was a layer of mineral-bearing clay. He also learned that for years, first the Indians and then the people living in this section had been using minerals extracted from this clay for many medicinal purposes. He heard many stories from people who had been relieved of various ailments by drinking a solution of minerals extracted from this clay. The scientist opened a mine there, and ever since, the fame of this natural mineral medicine has spread throughout the wide continent.

## Drugless Health!

REGARDLESS of how long you have been sick, and how many medicines you tried before, you can now hope for relief if you try GEO-MINERAL. Your trouble may be mineral-iron deficiency. Lack of minerals makes your blood weak, your resistance low — run down. Simple anemia, headaches, nervousness, gas, toxins, indigestion, and other symptoms may be caused. Arthritis and rheumatic pains also may develop. GEO-MINERAL helps to enrich your blood, and make you strong, full of pep, life and energy.

HIPPOCRATES was the father of medicine. Ever since his time, minerals and other natural medicines were a reliable remedy for most of our common ailments. Doctors today use minerals as basic material in many of their prescriptions. GEO-MINERAL contains minerals found in the world's best springs. Watch the results a day or two after using it. The blood-cleansing it will do in your body, the peace it will bring out. When you see this, do not get alarmed—thank Nature who created GEO-MINERAL as a sign that the medicine is working in you, and realize its priceless value.

## Wonder Minerals

RHEUMATISM, arthritis are dreadful diseases. Acid condition in the blood is often their cause. What could be the remedy? For thousands of years, minerals have been used to relieve the pain and suffering of these ailments. People, on the advice of doctors, go to mineral springs to find cure, or relief. The late President Roosevelt used to go to Warm Springs in Georgia. He was healed or would not have gone there regularly twice a year.

YEAR after year, people rush to mineral springs and open, to drink and bathe in their mineral waters. We have all heard of the wonderful springs of Lourdes, France, and Fontainebleau, France. In these places, according to legend, the gods of eternal youth and strength, drank the waters and lived to be young.

## Rich Red Blood

MEDICAL records show 85% of men and women over 35 suffer from nutritional iron anemia. When you feel nervous, dull, lazy, have dizziness, no ambition, no energy, or play a poor sport, feel tired, when your eyes lack that bright spark, and your mind forgets, when you feel headaches get the best of you, and you feel old before your time, and when life seems not worth living — it may be simply lack of minerals in your blood. GEO-MINERAL then is what you need. GEO-MINERAL is not a physic, and does not interfere with the work of your stomach. It is a mineral-rich red blood, helps to build up and energize your system to drive away poisons. When the poisons are out of your system, you begin to feel a new life, as Nature starts to complete the recovery.

## 100% Guaranteed!

WE are everyone to try GEO-MINERAL. Do not hesitate one moment. Go to any drug store now. Get one bottle. Use one week. If you are not satisfied, your money will be refunded in full.

TRY it today — it may do wonders for your health. Make you feel, eat, sleep, work and enjoy life today.

## BROW Geo-Mineral

BROW Geo-Mineral is your doctor and let him tell you, after he reads the formula on the label, about his mark. GEO-MINERAL contains NO alcohol, NO preservatives, NO oil, NO harmful drugs, NO dyes — is NOT habit forming. Contains ONLY Natural mineral ingredients. Highly recommended by the medical profession.

## ECKERD'S DRUG STORE

Mail orders to above address — add 10c for postage.

## Read What They Say!

Pharmacists, like doctors, know medicine best. Thousands of druggists of high reputation, who now sell Geo-Mineral, report amazing results by its users.

"We not only sell Geo-Mineral," says G. A. Littlefield, Manager of Smith's Drug Store, Gastonia, N. C., "but as pharmacists, we know good medicine, and we believe there is none better than Geo-Mineral as a supplement for mineral deficiency. Doctors, hospitals, sanatoriums know the value of natural minerals. We are not surprised at the many users who came back to buy more and told us stories of amazing benefit. We recommend it to our friends, relatives, and beloved ones, and to every one wishing for better health."

"We wish to state that after selling Geo-Mineral for eight months, this product has broken all sales records in the medicine line in our drug store," reports Jack Wright, owner of Economy Drug Co., Anderson, S. C. "Users report almost miraculous results, helping sufferers with rheumatism, arthritis, weak kidneys, and various stomach ailments. We believe that there exist very few items on the drugstore shelf with the merit of this natural mineral medicine. Of thousands of bottles sold on guarantee basis, there have been very few refunds made."

"We have sold Geo-Mineral for the last six months and it has been one of the best selling drug items we have ever handled," says Porter Brown, pharmacist of Concord, N. C. "Users report amazing results in many instances, and we personally believe Geo-Mineral is a good medicine for purposes as indicated, and recommend it to sufferers who have tried other medicines with little if any results. They may discover that Geo-Mineral is what they have probably been needing and looking for — we unhesitatingly recommend it."

## GEO-MINERAL Retail Price

1 Bottle \$1.10 6 Bottles \$6.00

## New York Stocks

### STOCK MARKET IS IRREGULAR

Trading is Substantially Reduced in New York Market Today

NEW YORK, March 23.—(INS)—Profit-taking turned the stock market irregularly lower today in substantially reduced trading.

First hour dealings were in marked contrast to the same period yesterday. Only 210,000 shares were traded vs. 720,000 the day before.

Price changes were narrow and most pivots backed down small amounts. Near midday, Bethlehem, Chrysler, Texas Co., Anaconda, International Harvester, Douglas Aircraft and General Foods all were off fractions.

Some of the recent strong chemicals weakened. Allied Chemical dropped two points and DuPont surrendered a fraction.

SINCE 1875

## Pa New Observes

(Continued from Page One)

door sports. Baseball, marble playing and bike riding topped the list of sports being participated in by the energetic youths. Some were busy in the rear yards wielding rakes getting the family gardens in shape for planting.

At noon today the old Shenango tin mill whistle sounded off and it "sounded pretty good," according to the man who called Pa New.

Crocuses of deep yellow, purple, lavender and other beautiful hues,

blooming in the flower garden of Dr. G. E. Seal, East Washington street, are a pretty sight. Daffodils and tulips are well above the ground with their leaves.

Trout fishermen of Lawrence County are getting restless, as the date for the opening of the season comes nearer. Preparations are being made by many to take advantage of the first day's fishing of the season.

Warmer weather brought much activity at Cascade park on Monday. Workmen were busy in many sections of the amusement area getting their various concessions ready for the day when the park will formally open.

State highway department maintenance department is readying itself for an intensified summer's work in improving local highways

that come under its care. Some major improvements are contemplated with these being done by contract. Several detours will be instituted in the county before the summer is past, it is learned.

Large numbers of small game are meeting their doom on local highways. The animals crossing the roads misjudge their timing and are killed by the fast moving vehicles. Several dogs a week are among the victims.

Palm Sunday's balmy weather apparently turned the minds of many to thoughts of how fine a spot of ice cream would taste. One dairy store proprietor reported that ice cream sales Sunday topped those of the most torrid of

last summer's (or should we say August's) hot ones.

Such a to-do with the lawn rakes, bushel baskets, lawn rollers, etc., has seldom been noted in the county before when apparently nearly every other household is busy with his spring yard clean-up.

W. C. T. U.  
AND L. T. L.

County Executive Committee Lawrence county W. C. T. U. executive committee will gather on Thursday afternoon, March 23, at 2 o'clock in the Y. W. C. A.

## Parent-Teachers

Union Township

Union Township P.T.A. will meet Tuesday evening, March 23, at 8:00 for their regular meeting. The nominating committee will be elected.

There will be a program and lunch will be served. Mrs. M. Bowden has requested that the men all come so that further plans can be completed for the Womanless Wedding.

Pastor's Aid of the St. Paul's Baptist church will be entertained on Tuesday evening at 7 o'clock, in the home of Mrs. Bertha Wells, 1101 Scioto street.

## HECKART WALLS CHURCH NUPTIALS

Pretty in every detail was the wedding of Miss Karey Heckart, daughter of Mr. Michael Heckart, 217 McClelland avenue, and Louis J. Walls, son of Mr. and Mrs. Jay J. Walls, 1619 Thorpe street, which took place Saturday evening at 7 o'clock. Using the double ring service, Rev. James A. Gaiser officiated at the exchange of vows in the presence of a large number of relatives and friends in the First Methodist church.

The bride, attractive in a sheer white lace gown, fashioned with high neck, long sleeves, gathered at the wrist, draped shoulders, fitted bodice and bustle back, was given in marriage by her uncle, William Heckart, of Cleveland, O. Her finger-tip veil fell from a pleated crown, and she carried a white Bible, encrusted with white camellias. Her only jewelry was a cameo and pearl lavallere.

Miss Leona Heckart, sister of the bride, served as maid of honor, while Miss Wilma Heckart, another sister of the bride, was bridesmaid. Sharon Lee Heckart, petite niece of the bride, acted as flower girl. The attendants were attired in gowns, made similar to that of the bride, the maid of honor wearing pink, and the bridesmaid wearing blue. The flower girl was attired in a yellow gown. They wore net headresses to match their gowns and carried colonial bouquets of mixed spring flowers. Joseph Wardman served the groom as best man. Walter Heckart,

brother of the bride, Thomas Stoner, Dick Thompson and Thomas Wilcox ushered.

The altar of the church was tastefully decorated with lilies and palms. Edwin Lewis, church organist, offered traditional nuptial music and accompanied Samuel McCleary, soloist, who sang "Because," "O Promise Me" and "The Lord's Prayer."

A reception for 200 guests took place in the church parlors following the ceremony. Members of the Wesleyan Service guild served refreshments, buffet style with Mrs. Jack Montgomery and Mrs. Michael Bowden, cousins of the bride, pouring a four-tiered wedding cake centered the bridal table.

Upon their return April 1 from a honeymoon to an undisclosed destination, the young couple will be at home to friends in a newly furnished apartment at 406 Glenmore boulevard.

Mrs. Walls, a graduate of Union high school and Western Union in New Jersey, is secretary to Rev. Gaiser, minister of First Methodist church. Mr. Walls, a graduate of New Castle high school, is employed as a foreman at the Shearings Pottery company. He is a veteran of World War II, serving two and a half years, of which two years were spent overseas. Mr. Walls, who was a captain, was attached to the Army.

Section Two Will Assemble  
Section Two of the First Christian church will gather Wednesday afternoon, March 24, at 2 o'clock in the church.

**Jones-Davis Wedding**  
Of interest here is announcement of the wedding of Miss Martha Evelyn Jones, daughter of Mr. and Mrs. Harry Jones, of Newton Falls, O., and Wilfred C. Davis, of Newton Falls Methodist church. Rev. C. Cumler officiated at the single ring ceremony.

Miss Doris Davis, sister of the groom, was the bride's maid of honor and the Misses Frances Sampson and Patricia McKenzie were bridesmaids.

Wayne Jones, S-2, U.S.N., brother of the bride, served the groom as best man and ushers were Robert Jones, Richard Weber and Vincent Allman.

Following the ceremony there was a reception for 100 guests in the home of the bride's parents, Mrs. E. A. Murovski, of this city. An aunt of the bride, was an aide.

Miss Davis, who with her parents lived here on Conyngham street until a year and a half ago, will continue to make her home with them for the present as Mr. Davis has returned to Great Lakes Naval Training Station, Ill.

From here Mr. and Mrs. Ernest Johnson also attended the wedding.

**A. R. C. Class Meets**  
An Easter bonnet display and exchange was featured at the March meeting of the A. R. C. class of Wesley Methodist church on a recent evening in the home of Mrs. Henry Grutier, West Washington street.

Devotionals were in charge of Mrs. Gladys Farrington. Serving of a lunch with Mrs. Jack Jones assisting the hostess brought the evening to a close.

Next meeting will be April 15 in the home of Mrs. Robert Henry, Matilda avenue.

**Entertain For Newlyweds**  
For the pleasure of Mr. and Mrs. James Irvin, who were recently married, a group of friends and relatives were entertained in the home of Mrs. Cora Hogue, 319 Shaw street, Saturday evening. Games were a diversion and at a late hour a tasty lunch was served.

A beautiful gift of silver was presented to the couple on behalf of those present.

**Birthday Luncheon**  
As a pleasant birthday celebration for Audley A. McKee of the New Wilmington road, Mrs. McKee was hostess at 1 o'clock luncheon Monday afternoon to a gathering of ten relatives.

A birthday cake was a feature of the luncheon and afterward an informal social time was enjoyed. Aides were Miss Mary Ruth McKee, Mrs. Wilbur King and Mrs. Paul Martin.

**Section D To Assemble**  
Section D of the Y. M. C. B. class of Third U. P. church will gather on Thursday evening, March 25, in the home of Mrs. Galvin Atwell, 915 Maryland avenue.

**Aristonians Class**  
Members of the Aristonians Bible Class of the Calvary Gospel Tabernacle, met at the home of Paul Boyle, Arlington avenue, Thursday evening, for the regular monthly meeting and fellowship period. Thomas DeLanzo was co-host.

Class president, J. B. Welker, presided over the business meeting, with devotions in charge of A. H. Robb. J. W. Miller led in a hymn sing.

A most delicious lunch was served by Mrs. Paul Boyle, aided by Mrs. Thomas DeLanzo.

**G. R. Club Luncheon**  
Members of the G. R. club were entertained for one o'clock luncheon in the home of Mrs. Edwin Porter, 207 West Sheridan avenue, on a recent afternoon.

Mrs. Frank Parker was the guest of honor. Mrs. Parker was presented with a lovely remembrance of the occasion.

Next meeting of the club will be April 15, the place to be announced.

**Dando-DeCesare Engagement**  
Mr. and Mrs. Nick Dando, of R. D. 2, announce the engagement of their daughter, Irene Dando, to Michael DeCesare, son of Mr. and Mrs. Carmine DeCesare, of 1413 Laurel place, this city. No wedding date has been set.

**Wednesday**  
Ea-No-So-We. Mrs. Robert Houk, Walnut street.

## Renew Effort On Rent Control

Present Controls Expire March 31

WASHINGTON, March 23.—(INS)—Senate-House conferees renew their efforts today to write a rent control bill that can be passed before present controls expire a week from tomorrow.

The joint conference, faced with the job of trying to reconcile radically different House and Senate bills, have reached agreement only on minor issues during the first day of negotiations. The crucial issue could result in a deadlock and no bill at all.

A Senate-approved bill says no; a House-approved bill says yes. The ten-man conference committee must accept one side or the other or work out a compromise.

**Points Agreed Upon**  
Points agreed on in the opening skirmish included:

1. Removal of the federal restrictions on use of building materials for amusement construction.
2. Decontrol of all private rooming houses with not more than two roomers.
3. Abandonment of a plan to have all tenants who agree to "voluntary" 15 per cent leases sign papers stating they weren't doing so under duress.

## Open House At Armory For Army Day Being Planned

Interesting Program Is Being Arranged By National Guard Units

In connection with the observance of Army Day here on April 6, one of the parts of the program being planned for the day is open house at Cunningham Armory, when members of the 229th Field Artillery will be present to show the general public the equipment and training program of Headquarters Company and the Service Battery. It was announced today by Lt. Col. George F. Mitchell, commanding officer of the 229th Field Artillery Battalion.

It is also planned to have a mass presentation of Victory and American Defense Medals to those who are entitled to receive them, as a part of the day's program. With the world in its present unsettled condition, it is believed that the general public will be more interested in knowing what the 229th Field Artillery is doing and what its equipment consists of.

Other plans are also being formed for the day's observance, which will be announced later.

## Cosmo Club Plans Party Tonight

Cosmo club members are entertaining their wives at a lovely ladies' party, scheduled this evening at 8:30 o'clock, in the club rooms, North Mercer street.

Al Goldman, is chairman and a committee, are working diligently to make this affair one of the most successful ever held. Games and other types of pastimes will be featured during the evening.

**RESUME OPERATIONS**  
WASHINGTON, March 23.—(INS)—Operations were resumed at the Jessop Steel Company Monday when 130 employees of the plant's sheet mill department were called to work.

James M. Lambie, president of the newly organized board of directors, said that the personnel department expects 400 men back on the job by the middle of the week.

It is estimated that the plant will employ between 900 and 1,000 men when full operation is reached.

## Three New Westminster Editors

NEW WILMINGTON March 23.—A New Castle man is one of three new editors who will direct publications at Westminster college during the 1948-49 school year. Roger Hawk married vet, will edit The Argo, the yearbook. Miss Margaret Morris, Clairton, left will have charge of Scrawl, a literary magazine, while Miss Kay Roedema, Garfield, N. J., will edit The Holcad, the All-American school newspaper.

## Seventh Ward

### Girl Scouts 30 Have Court Of Awards

Have Tureen Dinner; Addressed By Scout Executive; Girls And Leaders Get Awards

In the dining room of the United Presbyterian church, Mt. Jackson, members of Girl Scout troop 30 had their Court of Awards on Friday evening, March 19.

At 6:30 about 175 parents and friends assembled for a tureen dinner, which was followed by a program.

Mrs. D. B. Forsythe, Girl Scout executive of Beaver county, addressed those assembled. Following the investiture of the Brownies troop 52, under their leaders, Mrs. Thelma D'Amico and Mary Lou Pitts, Mrs. Forsythe spoke of the work of the scout program, from Brownies up to professional scout.

A vocal trio was given by Shirley Hayes, Joan Paden and Mary Ann McKee of troop 30. "History of Scouting" was given by Mildred Bradley.

This troop was organized five years ago, and five of the original troop committee are still serving and four of the original scouts are still in the troop. All of these received their five-year pins. Two tenderfoot scouts, also Wilda Rodgers and Lillian McCann of troop committee were invested. Seven scouts earned first class rank and five their curved bar. Nancy Bell and Mildred Bradley already wear one bar. The latter also received a badge sash. Nancy Bell received her senior Red Cross life saving award. Joan Paden, Mildred Bradley, Barbara Boyd, Betty Fullerton, Jean McLean the junior life saving award.

Mrs. Edward Bradley retires in May from troop committee. Nancy Bell presented her with a nice gift in appreciation for her splendid five years service for the scouts. Mrs. James Crea and Mrs. Clarence Shumaker, troop leaders, were presented with gifts.

Meeting closed with "Taps" and "Retirement of Colors." Flag bearers and guards were Sally Reed, Peggy Crea, Mary Ann McKee and Sally Hayes, Joan Paden in command.

**Auxiliary Group To Visit Washington**  
At Columbus hall, South Liberty street, members of Christopher Columbus auxiliary gathered recently.

Arrangements were made for a group of the members to journey to Washington, D. C., to view the cherry blossoms in April. Plans were discussed regarding the proposed dance during the month of April.

Committee in charge of arrangements is Miss Virginia Rainey, chairlady, with aides, Mrs. Edith

## Plan Easter Sunday Sunrise Service

On Easter Sunday morning there will be a sunrise service at Mahoningtown Methodist church, commencing at seven o'clock.

This service is being sponsored by the young folks of the Mahoningtown Presbyterian and Methodist churches. All members of the congregations are welcome. Mrs. Alice McClure will preside at the organ.

Leader of the service will be Bob Bender. Rev. Howard A. Redmond of Mahoningtown Presbyterian church will make the address. Miss Betty Robison will give a vocal solo. A reading will be given by Miss Virginia Stone.

Following the service breakfast will be served in the church dining room. Reservations are being taken by Miss Maxine Taylor, 427 Garfield avenue.

Committee of arrangements is Misses Audrey Peters, Maxine Taylor, Ruth Ann Daniels, Bob Bender, Johnny Hall, Teddy Park.

## Postpone W.C.T.U. Meeting Until April

Announcement is made that meeting of Mahoningtown W. C. T. U., scheduled for Friday afternoon, March 26, has been postponed until Friday afternoon, April 23, and will be entertained in the home of Mrs. Herbert Cornely of 505 West Madison avenue.

**K. J. U. CLASS TONIGHT**  
At Mahoningtown Presbyterian church the K. J. U. Bible class will meet this evening for a tureen dinner at 6:30 in the dining room.

**PENNA BO'S TO MEET**  
Wednesday afternoon at 2:30 members of the Penna Bo lodge will meet in the V. W. C. A. and have their regular meeting.

**EASTER MAIL INCREASING**  
From Mahoningtown post office comes word that the volume of Easter greeting cards and parcels are already on the increase.

**SEVENTH WARD PERSONALS**  
Mr. and Mrs. M. C. Hall, Sr., of 24 North Cedar street, daughter Dorothy and son John, have left for Philadelphia, where they are visiting with the former's son and daughter-in-law, Mr. and Mrs. Marion C. Hall, Jr.

Miss Myrtle Jones, head nurse, eighth floor, Children's hospital, Pittsburgh, has returned to her duties after spending a week with her parents, Mr. and Mrs. E. M. Jones, of Sunny-Side, Mt. Jackson road.

Mr. and Mrs. Leonard Blasdel have moved from West Madison avenue to Winter avenue.

A. R. Morones of 505 West Clayton street is improving slowly. He is able to be up for a little time each day. Mr. Morones has been confined to Jameson Memorial hospital for four weeks; prior to this, two weeks in hospital in Florida.

John Daley of 317 North Lafayette street has been receiving treatment at New Castle hospital for about five days. His condition remains about the same.

Mr. and Mrs. William E. Bigley and son, Billy, of Windham, O., are visiting with their parents during the Easter vacation, Mr. and Mrs. I. E. Bigley, 402 Conner avenue, and Mr. and Mrs. I. H. McOwen, of 512 West Madison avenue.

There will be a meeting of the Knights of Columbus on Wednesday evening at 8:30 o'clock at The Castleton, with grand knight Joseph J. Flynn in charge.

**ASSISTANT CHIEF DEAD**  
Charles J. Nes, assistant chief of police of Connellsville, is dead, according to a notice received at local police headquarters. Funeral services will be held there Wednesday.

## Heart Attack Takes New Brighton Man

NEW BRIGHTON, March 23.—Cornelius J. (Neal) Mowry, aged 45, municipal representative for the Duquesne Light company, one of Beaver county's best known residents, died of a heart attack at his home Monday on the Mercer road, R. D. 1, New Brighton.

The deceased was past governor of the 17th district of the Rotary International and a member of the Rochester Rotary club. He leaves his widow, Mrs. June Bernard Mowry, and four children. Funeral arrangements are incomplete.

Rev. J. Paul Graham, pastor of the Third United Presbyterian church, will be the speaker at Wednesday noon's meeting of New Castle Kiwanis Club, in The Castleton. His subject will be, "The by-products of Easter." This program is under the auspices of the Committee on Support of Churches, of which Dr. J. Wesley Post is chairman.

## RETURN \$420 TO CANFIELD RESIDENT

Chief of Police Robert D. Hanna today mailed a check for \$420 to David P. George of Canfield, O.

George was taken in tow for intoxication here recently, and when searched \$460 was found upon his person.

When discharged by Mayor John F. Haven the morning following his arrest, the chief gave George \$40, but kept the balance until George "straightened up."

He will receive the money today or tomorrow.

## How Dr. Edwards' Helps Folks Who Are Constipated

For over 40 years, Dr. F. M. Edwards, a noted Ohio Doctor, successfully relieved patients bothered by constipation and its headaches, lack of pep, dull eyes, sallow skin, with his famous Dr. Edwards' Olive Tablets.

Olive Tablets are purely vegetable. They work gently but oh—so thoroughly! Olive Tablets pep up a sluggish intestinal tract. They act on both upper and lower bowels. Just see if Olive Tablets don't give you the most comfortable, satisfactory, more natural-like bowel movements you've ever had! No griping. Buy Olive Tablets today. At all drugstores. Only 15¢, 30¢.

## NOT BEAMAN'S TRUCK

In the report of the fire department, published Monday, it was said that the truck of Dick Beaman, 1308 East Washington street, caught fire on South Jefferson street. The truck was the property of William E. Gibson of R. D. 2. Mr. Beaman saw the fire and using the extinguishers from his own truck put out the blaze.

## Final Spurt Is Sought In Y.W. Members Drive

Y. W. C. A. membership workers are striving this week to secure the renewal of all last year's 1789 members before the report meeting on Thursday morning, March 25. 1251 of these were reported at the first three meetings—an average of 417 at each meeting; but 539 members are still necessary to make this report top last year's total.

Mrs. James Moorehead, the Y. W. C. A. membership chairman, wrote each of the 197 workers, last Friday, asking her to invite one more new member to become a part of the Young Women's Christian Association. Mrs. Moorehead also urges all former Y. W. C. A. members who may not have been at home when their church or club representatives called, to help put this ingathering over by sending their membership contributions before Thursday, to the Y. W. C. A. where they will be distributed to the proper teams.

To date the First Presbyterians and the Elm Street Branch have each secured 29 new members, and the Second United Presbyterians have 16 new members or 20% of their total former members. Altogether 132 new members have been reported and of the 34 teams have reached their last year's total.

All Y. W. C. A. membership captains are asked to call the Y. W. C. A., 6120, Tuesday, and register for the luncheon Thursday at which the First Methodist church is hostess.

This fourth report meeting will follow the Lenten Bible class to which all Y. W. C. A. members are cordially invited.

## St. Joseph's Group Selects May Queen

Father Unger Conducts First In Series Of Discussions At Regular Meeting

Young Ladies Sodality of St. Joseph's church, met in the church meeting rooms recently and chose as their May queen this year, Miss Helen Reinhard.

Miss Reinhard will crown the statue of the Blessed Virgin Mary at the May 2, at the church.

The first in a series of discussions was led by Rev. Fr. John M. Unger, spiritual director, at this time. Father Unger chose as his subject, "Courtship and Marriage."

An informal period followed of answering questions. The series will continue and other timely subjects will be the topics of discussion by Fr. Unger. On Friday, April 16, the next meeting will be held.

**HUNT DRILL THIEF**  
City police were asked by West Middlesex authorities to search for a man, accompanied by a stout woman, in an Ohio car, who stole an electric drill from the Walker Hardware company, West Middlesex.

## Pre-Easter Campaign Report For New Castle

Palm Sunday attendances were good and prepared the way for better, and in some cases record-breaking attendances Easter Sunday, March 22nd. However, Easter attendances last year were high and added effort must be put forth by a number of the 75 participating Sunday schools, to surpass the records set in last year's campaign which was also sponsored by the Lawrence County Sabbath School Association. All four goals, Evangelism, Sunday school attendance, Church attendance and Bible study, have been given increasing emphasis, and will culminate with encouraging results next Sunday—Easter.

In the first, New Castle, group, the First Methodist remains in first place as their yesterday's attendance was 31 more than their Easter attendance of last year. The Third U. P. also had a splendid attendance and when there figures for yesterday is in and recorded, they will not be far behind first place. The First Pentecostal had their best attendance of the campaign, and the First Baptist holding services for the last time during this emergency at the Cathedral, had the fine attendance of 555. They are planning a big day when they are back in their own church Easter.

In the second group the Alliance Gospel Tabernacle is first, followed by the First Christian and First U. P. in order. In the third group, the Nazarene is in the lead with the Croton Methodist following, and in the fourth group the First United Brethren is first and the St. Paul's Lutheran, second. In the fifth group, the Madison Avenue Christian has first place and the First Congregational and St. John's Lutheran following in order. The sixth group has the Bethel Baptist, with unusual re-organization conditions, having the largest total percentage of the campaign.

Below are the group Sunday school attendance standings, March 21st attendances, total points and total percentages. Also the Church attendance standings with percentages for March 21st and total percentages.

### NEW CASTLE SUNDAY SCHOOL ATTENDANCE STANDINGS

First, New Castle, Group	Attendance March 21st	Total Points	Total Percent
First Methodist	429	422	1.407
Third U. P.	(not in)	343	.730
First Pentecostal	381	216	.722

In virgin forests the wood lost in dying trees about equals the yearly volume of growth. After reaching maturity, trees lose vigor and eventually, subject to diseases and pests, die.

## Tired, 'All-In'- Listless Feeling Brought To Halt

As Vibrant Energy Is Released  
To Every Muscle, Fibre, Cell

Do you get up in the mornings still tired, feeble and out all day? Have you checked-up on your blood strength lately? Overwork, undue worry, cold, flu or other illness often wears down the red-blood-cells.

Every day—every hour—millions of tiny red-blood-cells must pour forth from the marrow of your bones to replace those that are worn-out. A low blood count may affect you in several ways: no appetite, underweight, no energy, a run-down condition, lack of resistance to infection and disease.

To get real relief you must keep up your blood strength. Medical authorities, by analysis of the blood, have by positive proof shown that 888 Tonic is amazingly effective in building up low blood strength. This is due to the 888 Tonic formula which contains special and potent activating ingredients.

Also, 888 Tonic helps you enjoy the food you eat by increasing the gastric digestive juice when it is non-organically too little or scanty—thus the stomach will have little cause to get balky with gas, bloating and give off that sour food taste.

Don't wait! Energize your body with rich, red blood. Start on 888 Tonic now. As vigorous blood surges throughout your whole body, greater freshness and strength should make you eat better, sleep better, feel better, work better, play better, have a healthy color glow in your skin—firm flesh fill out hollow places. Millions of bottles sold. Get a bottle from your drug store. 888 Tonic helps build sturdy health.

## In Religious And Fraternal Circles

**Unity Truth Center**  
Unity Truth Center, affiliated with Unity School of Christianity, Kansas City, Mo., will assemble on Wednesday at 2 p. m. with Mrs. Lewis Diamond, Bleakley block, 7 South Jefferson street.

**First Congregational**  
In preparation for holy communion, which will be administered on Thursday evening, a preparatory service will be held at the time of the mid-week prayer service on Wednesday evening at 7:30. Rev. Thomas J. Jones, the

pastor, will speak on the subject, "Gathering Clouds With Silver Lining."

A large class will receive confirmation on Thursday evening, and there will be a reception of new members into the church.

**Spiritualist Church of Truth**  
Spiritualist Church of Truth, McGowan hall, 215½ East Washington street, Wednesday service, 8 p. m., sermon by Rev. A. E. Guthrie, pastor, "Our Spiritual Lessons," music by Mrs. A. B. Stevens.

**Holiness Mission**  
This evening, the regular meeting of the Castlewood Holiness Mission will be held at 7:30 in the home of Mr. and Mrs. John Kennedy, Castlewood.

## Child Evangelist Continues Series

Renee Martz, seven-year-old child evangelist, of Los Angeles, Calif., will be heard again tonight at 7:30 o'clock in the First Pentecostal church, Pearson at Epworth streets. She will speak on "God Leads His Children Along". Miss

Martz will be dressed in a Chinese costume and will sing in a foreign language. Her tutor, Miss Ruby James, will be dressed in a Chinese wedding gown.

The services come to a close on Wednesday night.

There are 50,000 distributors of fluid milk in the U.S. and 40,000 plants processing milk, butter, cheese, ice cream and other dairy products.

## GEMCO Air Conditioning

is what you need in your store or shop this summer to make temperatures go DOWN... and profits go UP!

LOOK WHAT SURVEYS SHOW ABOUT THE RESULTS OF AIR CONDITIONING:

- 82% of air conditioned business places say customers stay longer.
- 87% say the customers buy more merchandise, because they are less irritable and more easily pleased.
- 50% is the average increase in size of the restaurant check, because (for example) hot and tired people who come in for only a bowl of crackers and milk relax and have a full lunch.
- 86% say air conditioning is a profitable investment.
- 92% say it increases prestige in the community.
- 94% of air conditioned places say employee efficiency is improved. Hot weather fatigue is reduced. Employees do more work, make fewer errors, handle customers better. Absences and tardiness are reduced.
- 76% say it makes the place of business cleaner.
- 97% say they would recommend air conditioning to others in the same type of business.
- 89% answered "No" to the question, "If you could recover money spent for air conditioning, would you sell it?"

## Court House

Admiral Clark  
For Dedication

Commander Of "Yorktown"  
To Dedicate Memorial  
Shaft On Court House  
Lawn July 4

OTHER EVENTS  
IN COURT HOUSE

"God and the weather permitting," Vice Admiral John J. "Jocko" Clark, former commander of the aircraft carrier "Yorktown" and presently in charge of naval aviation training, will dedicate the memorial shaft on the court house lawn July 4.

The county commissioners have received word from Admiral Clark that he expects to be present unless something unforeseen occurs between now and July 4.

The "Yorktown" is known as the "Fighting Lady" and justly so. Commissioned in 1933, the giant carrier went into the South Pacific and was in every engagement from Wake Island to the Philippines. Officially the "Fighting Lady" is given credit for 16 battles and through them all Vice Admiral Clark was in command. C. P. O. Stephen Bond, in charge of naval recruiting in New Castle, was assigned to the "Yorktown" when she was commissioned in 1933 and served aboard her as chief master at arms until December, 1945. He has a deep admiration for Admiral Clark as a man and as a naval officer, an admiration that was developed in the smoke of battle in the South Pacific.

Admiral Clark was badly wounded, and while partially disabled yet, is in active service as chief of the naval aviation service. He is said to be an engaging speaker and his acceptance of the invitation here to dedicate the memorial to the Lawrence county dead is pleasing.

Work is going forward upon the cutting of the stones that will go into the memorial shaft and early next month ground will be broken on the court house lawn.

French Garrisons  
On Italian Border  
Being Strengthened

PARIS, March 23.—(INS)—The Paris newspaper, L'Intransigeant reported today that French garrisons on the Italian frontier are being reinforced in preparation for a possible Communist coup in Italy.

L'Intransigeant, a conservative newspaper, asserted that French Foreign Minister Bidault and Italian Premier Alcide De Gasperi are discussing the possibility of such a coup at their meeting in Turin today.

Planning Aid  
They were reported planning French aid to the Italian Moderate government should the Communists attempt to seize power in northern Italy.

L'Intransigeant said that all French forces on the frontier are now fully manned.

The newspaper France-Soir reported meanwhile that the United States is prepared to agree to the return to Italy of her former colonies.

Seventh Armored  
Vets To Organize

Veterans of the seventh armored division and attached units of western Pennsylvania are forming a chapter of the national association of the division.

Former division members who are interested may contact Samuel S. Calo, 1234 Deffield street, Pittsburgh 6, Pa. The next meeting of the group is on April 13.

## Why'd Aunt Hallie wrap the ice in paper?

It made the ice melt slower, so she figured she'd save money.

You don't see today's Aunt Hallie rustling around trying to turn off her electric refrigerator. Housekeeping economy is just as important, but there's a difference . . .

It costs so very little to run a refrigerator with electricity! For an average family—less than a nickel a day!

You've helped make electricity so low in price by using it for more and more jobs. And the sound, business methods of the electric companies have made it more and more of a bargain, in spite of the rising costs of making and delivering electricity.

Today, the average family still gets twice as much electricity for its money as it did just twenty years ago!

• Listen to the Electric Hour—The Hour of CHARM, Sundays, 5:30 P.M., EST, CBS.

## PENNSYLVANIA POWER COMPANY

Spinsters And  
Bachelors Are  
Fast Disappearing

NEW YORK, March 23.—Spinsters and bachelors are fast disappearing from American society and by 1964, it is predicted, marriage may be almost universal in the 20 to 45 age group, according to a report released here by the Institute of Life Insurance.

But economic depression could reverse the trend, the report suggested.

"The number of single persons of both sexes is now at the lowest ratio since 1890," said the report.

which is based on U. S. Census Bureau figure. The institute said that only one of every three men between the ages of 20 and 45 is single, while the percentage for women in the same bracket is even lower.

GENERAL DEVERS TO  
ADDRESS GUARDSMEN

SCRANTON, Pa., March 23.—(INS)—An address by Gen. Jacob L. Devers, commander of the Army ground forces, will highlight the Pennsylvania National Guard Association's annual convention at Scranton, April 9.

More than 200 delegates representing all PNG units will attend the three-day meeting beginning April 8.

Tom Sanfilippo  
Frat Pledgee

GROVE CITY, March 23.—Thomas Carl Sanfilippo, son of Mr. and Mrs. Frank Sanfilippo, 621 Spruce street, New Castle, has pledged to Delta Iota Kappa fraternity at Grove City college. He was formally initiated into the group on March 22. He was graduated from New Castle high school with the class of 1944.

At Grove City, Mr. Sanfilippo is majoring in accounting and plans to graduate with the class of 1950. Delta Iota Kappa is a local social fraternity.

## NEW YORK LIFE INSURANCE COMPANY

A Brief Review of the  
103rd Annual Statement to its Policyholders

**Assets . . .** The assets, held for the protection of the Company's life insurance and annuity contracts and to meet other obligations, totaled \$4,234,184,598 at the end of 1947. Bonds and stocks are valued in conformity with the laws of the several States and as prescribed by the National Association of Insurance Commissioners.

**Liabilities . . .** The Company's insurance and annuity reserves and other liabilities aggregated \$4,003,065,874 at the end of 1947. Surplus funds held for general contingencies totaled \$231,118,724.

**Reserves . . .** At the close of 1947 the Company reached a major objective in its program for strengthening insurance and annuity reserves. All of its life insurance reserves are now held on an interest basis of either 2½ per cent or 2 per cent. All of its annuity reserves are on a 2 per cent basis. The program of reserve strengthening, which was undertaken to protect the interests of policyholders, has given recognition to the effect upon the Company's net earning rate of exceedingly low yields on high-grade investments. Policyholders can take renewed assurance from the knowledge that the Company has an overall reserve basis as strong as, if not stronger than, that of any other life insurance company in the country.

**Mortality Experience . . .** The Company's mortality experience in 1947 was favorably low. In November of 1947 the Company adopted for its new series of policies a mortality table based on more recent mortality experience and therefore, in the years to come, the margin between "expected mortality" and "actual mortality" experience should not be so great as in the past.

**Expenses . . .** The Company, in common with practically all individuals and businesses throughout the country, quite understandably has been affected by rising costs of materials and wages. Continued efforts are being made to improve efficiency and effect economies without impairing the essential services rendered by the Company.

**Interest Earnings . . .** While the rate of interest earned by the Company in 1947 exceeded the rate required to maintain reserves because of the Company's program of reserve strengthening, the rates of return available on new investments of high quality continued low throughout the better part of the year. However, in the closing months of 1947 there was an encouraging upturn in interest rates on new investments which it is hoped will continue.

**Dividends . . .** The provision for 1948 dividends to policyholders is \$37,151,312, as compared with \$41,730,229 for 1947. The amount available for dividends was affected by the low yields from prime investments and increased expenses due to higher costs of materials and wages, as well as by the Company's program of strengthening reserves mentioned above.

**Termination Dividends . . .** The Company has declared termination dividends payable in 1948 on life insurance policies in certain categories. Such dividends, which are in-

cluded in the provision for 1948 dividends to policyholders, become payable as the policies in these categories terminate in 1948 by death, maturity or surrender for cash after having been in force at least twenty years.

**Surrender Allowances . . .** For the year 1948 the Company has adopted a plan for allowance of amounts in addition to contractual cash values under life insurance policies issued before June 1, 1944 which during 1948 are surrendered for cash. This plan has been made possible because of the Company's having completed the major steps in its long-range program of strengthening insurance reserves which has been in progress for several years.

**New Series of Policies . . .** On November 17, 1947 the Company introduced a new series of policies with cash and other non-forfeiture values based on the Commissioners 1941 Standard Ordinary Table of Mortality and interest at 2 per cent. In the Company's series of policies issued from June 1, 1944 to November 17, 1947, such values were based on the American Experience Table of Mortality and interest at 2½ per cent.

**Life Insurance In Force . . .** At the end of 1947 the Company's life insurance in force exceeded nine billion dollars, which was the largest volume of protection in force in the Company during its entire history. Policyholders have \$9,063,604,614 of life insurance protection under 3,683,297 policies. This was \$520,296,199 greater than at the close of the previous year.

**Sales . . .** Sales of new life insurance during 1947 totaled \$857,384,000. In the amounts of sales and life insurance in force, Family Income policies paid for in 1947 are reported on a higher basis than in previous years. This change has been adopted to conform with the customary practice among many other companies. On a corresponding basis, sales of new life insurance in 1947 were approximately 2½ per cent less than the sales in 1946.

**Payments to Policyholders and Beneficiaries . . .** During 1947 the Company's total payments to policyholders and beneficiaries aggregated \$196,798,797. Of this amount, living policyholders received \$115,716,396 and the beneficiaries of 19,804 policyholders who died received \$81,082,401.

**A Nationwide Organization . . .** The Company does business in each of the 48 States, the District of Columbia, Alaska, Hawaii and the Dominion of Canada. While national in scope, the New York Life is very largely local in its operations in providing services to its policyholders through 138 Branch Offices in principal business centers, as well as through its sales organization of over 5,600 agents located throughout the United States and Canada.

*Imp. L. Horner*  
President

The Company started business on April 12, 1845. It has always been mutual and is incorporated under the laws of the State of New York. The Statement of Condition shown above is in accordance with the Annual Statement filed with the New York State Insurance Department.

A more complete report will gladly be sent upon request. In addition to further details on the Company's operations during 1947, it discusses a number of subjects believed to be of particular interest to policyholders. A copy may be obtained by writing to the New York Life Insurance Company, 51 Madison Avenue, New York 10, New York.

Report Forest Fires  
In New Jersey Now  
Believed Controlled

(International News Service)  
State police shortly before midnight reported control of three major forest fires in southern New Jersey.

The flames raged for more than six hours yesterday in destroying some 4,000 acres of timber.

Five Men Burned  
Four fire fighters and a state trooper were burned in a fire near Malaga, on Deleas Drive.

Other conflagrations threatened the Atlantic City naval air station at Pomona and houses along the Black Horse pike.

Six smaller fires in various south Jersey woods were brought under control speedily.

Navy personnel aided in battling the fire which came within a mile and a half of the Atlantic City naval air station.

COWS RUN TO TWINS  
ROBINSON, Ill.—I. E. Seitzinger, farmer, has three generations of twin calves in his herd, all descendants of the same registered Jersey cow.

JOHN PATTERSON  
MEMBER OF FRAT

WASHINGTON, Pa., March 23.—John Blair Patterson, a freshman at Washington and Jefferson college, Washington, Pa., has been pledged to the Lambda Chi Alpha fraternity, one of the nine national fraternities on the campus.

John is the son of Mr. and Mrs. J. W. Patterson, 515 Wildwood avenue, New Castle, Pa.

## Service Clubs Hear D.T. Howard

Head Of Public Affairs Division Of Pittsburgh C. Of C. Talks On Progress

### TRACES HISTORY OF MOVEMENT

Addressing the members of the various service clubs of the city, with the New Castle Rotary Club as the host club, Donald T. Howard, head of the Public Affairs Division of the Pittsburgh Chamber of Commerce, gave an excellent talk in The Castleton, Monday noon, when he spoke on "Organized Progress."

In spite of the fact that many people believe that Chamber of Commerce work is a recent innovation, Mr. Howard stated that it dates back to medieval days, the first Chamber of Commerce having been formed in Marseilles, France, in 1850. Prior to that there were the guilds which flourished in European countries.

The first chamber of commerce in the new world was organized in New York in 1768, under a charter granted by King George, 3rd. In 1800, there were Chambers of Commerce in New Haven and other large cities of this country.

Today, he pointed out, there are over 3,000 such bodies in the United States, all organized in an effort to make their particular community a better and more progressive place in which to live.

He pointed out a number of things which an active Chamber of Commerce should be doing in order to make progress.

In concluding, he urged the citizens to work together, forgetting prejudices of various kinds, and also forgetting about who should get the credit for the things which are accomplished.

### Gerald Glasser

#### Serving In Japan

WITH THE EIGHTH ARMY IN TOKYO, Japan.—Pfc. Gerald W. Glasser, New Castle, Pa., is now serving with the Famous First Cavalry Division in the present occupation of the Japanese capital.

Overseas since January 8, 1948, Pfc. Glasser is serving with the 1st Signal Troop as a Message Center Clerk.

Pfc. Glasser entered the Army April 22, 1947, and received specialized training at the Signal School, Fort Monmouth, N. J.

His parents, Mr. and Mrs. George Glasser, live at R.D. 1, New Castle.

Area of the sun's surface is 12,000 times greater than that of the earth, and its volume is 1,300,000 times greater.

### EAST BROOK

**SUNDAY SERVICES**  
Bible school, 10 a. m., Clyde Shellenberger, supt.; morning services, 11. Rev. Snodgrass, pastor.

**S. S. CLASS PARTY**  
The Helping Hands class of the United Presbyterian church had its March meeting at the home of Margaret Patterson with Laura McKnight as co-hostess. Sixteen members were present and took part in election of officers for the year. Elected are: president, Mrs. Esther Sheaffer; vice president, Mrs. Betty McKee; secretary-treasurer, Miss Mary Patterson, and assistant, Mrs. Vivian Walton. Games were a diversion and prizes were given to the winners.

**BIRTHDAY DINNER**  
Mrs. Ruth Pontius and family, Mrs. Clyde Gormely and Mr. and Mrs. Ezra Pontius were dinner guests recently at the home of Mr. and Mrs. David McKnight. The honored guests were Billy Pontius, Janet Pontius, Bob Pontius and Ezra Pontius.

**BIRTHDAY PARTY**  
Mrs. Glenn Patterson entertained 15 friends and relatives Saturday afternoon in honor of her son Wayne's birthday. The honored guest received many lovely gifts. Prizes were won by Robert Alborn, Doris Stubenbordt and Jerry Alborn.

### EAST BROOK NOTES

Mr. and Mrs. H. M. Sheaffer and daughters, Rosabelle and Mary Frances, spent Sunday with the former's mother, Mrs. Maude Sheaffer of Princeton. Mr. and Mrs. W. M. Sheaffer and children Earl, David and Rose Ann were guests in the same home.

Mrs. Mary LeGette of Florence, S. C., is visiting with her twin sister, Mrs. Julia Clement, who has been ill for some time.

Mrs. Lillian Bradley, who has been ill for some time, is convalescing at her home.

Wayne M. Neal of Tampa, Fla., visited recently with his sister, Mrs. Helen Martin and family.

Miss Carol Martin of Volant visited with Carol West on Tuesday night.

Mrs. Mary Gilkey of New Castle spent the week-end with her sister, Mrs. H. M. Sheaffer and family.

Mr. and Mrs. Harold Mayberry, Mr. and Mrs. James Mayberry, Jr., spent Sunday in Portersville, O., visiting relatives.

Miss Carol West was the house guest of Miss Beverly Sweeney recently.

Wayne Patterson is confined to his home with chickenpox.

**CHANGE HEARING DATE**  
Because his attorney's presence is required in federal court, March 29, James Brown, suspended policeman, today requested, and was granted by council a hearing Thursday. The hearing originally was scheduled for March 29. Brown is charged by Mayor John F. Haven with conduct unbecoming an officer, and being unfaithful in service.

## State Capital

Johnstown Man  
Would Head DemsTo Be Candidate For State  
Chairman—Other News  
Of Capital

HARRISBURG, March 23.—(INS)—There are reports circulating Capitol Hill that John Torquato of Johnstown, Cambria county Democratic chairman, will be a candidate for the state chairmanship when J. Warren Mickle's term expires in May. His successor will be chosen when the party reorganizes. Torquato is an investigator at about \$5000 a year for State Treasurer Ramsey S. Black, slated for auditor general on the Democratic ticket. Some speculators believe he has the support of both national committeemen David L. Lawrence, Pittsburgh's mayor, and U. S. Sen. Francis J. Myers. Mickle is not a candidate for re-election.

The State Medical society dropped its "bedside manner" in a hurry during the convention last week of its county secretaries and editors when a reporter attempted to sit in on a family lecture on reviving ethics. An International News Service reporter, the only member of the press venturing into the closed session, was immediately flanked by two public relations men and hustled out of earshot of verbal speaking. Doctor-members were given a sharp reminder that "neglect of social responsibility invites political regimentation" and urged to foster good public relations between themselves and their patients to stave off socialized medicine. A spokesman for the society admitted many complaints had been received that doctors were letting business interfere with humanitarian matters, particularly in refusing to answer night calls.

New Violence In  
Holy Land Blamed  
On U. S. Position

JERUSALEM, March 23.—(INS)—United States reversal of its position on partition of Palestine was blamed by a spokesman of the Jewish Agency today for increased bloodshed in the Holy Land. The statement followed a call to members of the general Zionist council, supreme authority of Zionism, to meet in extraordinary session in Palestine next April 4 to consider future policy. The spokesman declared: "Ironically enough, America's reversal on partition resulted in increased bloodshed in the Holy Land instead of the other way around as expected." He declared that further Arab attacks are expected to develop in areas where Palestinian Arabs are in command under direction of the former Grand Mufti but not in areas where Arab league commanders dominate.

## Delay Decision

## On Summer Camp

HARRISBURG, March 23.—(INS)—The uncertainty of the international outlook today is believed delaying the army's decision on Pennsylvania's proposal to use the Indian Gap military reservation for a children's summer camp.

The initial request for use of a small section of the sprawling 16,500-acre reserve was rejected by the army ground forces last month. No reason was given for the rejection.

Probe Effort Of  
Max Schmeling  
To Return To U.S.

WASHINGTON, March 23.—(INS)—The chairman of the House Un-American Activities Subcommittee on Fascism, questioned immigration authorities today as to whether former heavyweight champion Max Schmeling should be allowed to come to the United States for a comeback attempt. Rep. McDowell (R) Pa., disclosed he is writing to Immigration Commissioner Watson B. Miller and the visa division of the state department to determine if the German fighter can be considered a "welcome guest" in this country. The Pennsylvania Congressman commented:

"When Schmeling was heavyweight champion of the world, he certainly never objected to being idolized by the Nazi's as proof of their master race theories. To all intents and purposes, he paid lip service to the belief that the Germans were to rule the world."

Hearing Charges  
Against Firm On  
Stream Pollution

BUTLER, Pa., March 23.—(INS)—The case against a company charged with dumping acid into streams of the state entered its second day today. Yesterday, the jury of seven women and two men were taken to the Daugherty Refinery Company, Petrolia as the state opened its case against L. Sonneborn and Sons, Inc.

Gaston Post To  
Meet This Evening

Perry S. Gaston Post, American Legion, will have an important meeting this evening at 8 o'clock in the Legion home.

Plans for a national commander's banquet next month, together with Memorial Day, and the Sesqui-centennial celebration will occupy the center of discussion. Refreshments will be served at the close of the meeting. Commander Joseph Solomon announced.

Doctor Needed  
By Guard UnitCommission Of Captain Is Offered  
To Doctor For Medical  
Detachment

It was announced today by Lt. Col. George F. Mitchell, commander of the 229th Field Artillery, that the 229th F. A. Bn. is in need of a medical doctor to head the battalion's medical detachment.

No previous military experience is necessary for the position. If the doctor accepted has had no previous military experience he would be commissioned as a captain, but would be able to draw

pay as a major. If he had previous military experience it would be possible to start in with the rank of major.

Any former service men who have had experience in the medical corps are also sought for enlistment in the Guard at this time and are asked to visit Cunningham Armory at Frank and Huron avenues, any Wednesday or Friday evenings, where the advantages of service in this unit will be explained without obligation.

An average wage for women in Great Britain is \$12.75 a week.

Governor Duff To  
Speak At Geneva

BEAVER FALLS, March 23.—Governor James H. Duff of Pennsylvania will be the principal speaker when Geneva college, Beaver Falls, marks the 100th anniversary of its founding next month. Announcement of the governor's acceptance of the invitation to speak at the Founders' Day program on April 20 was made today by Dr. Allen C. Morrill, chairman of the planning committee.

Mr. Duff will deliver his address at a program scheduled for 3 o'clock in the college auditorium. The afternoon program will climax a series of activities planned for Founders' Day.

Dairy Peak, located in the Nespeck Forest in Idaho Co., Idaho, was so named because of Charles A. Rice, who, in early days, delivered milk by pack string to people on the Salmon river.

## Says Labor Unions Aided Communists In Czech Program

Assistant Secretary Of Labor Says They Played Big Part In Red Coup

WASHINGTON, March 23.—(INS)—Assistant Secretary of Labor John W. Gibson told Congress that labor unions played an important part in the Communist coup in Czechoslovakia.

Gibson, who testified before a Senate Appropriations subcommittee, said:

"The Communists, through their domination of the Czech labor unions, were able to manipulate them to such a degree that when the proper time arrived, the unions, organized as 'action committees', worked in conjunction with the Communist controlled police to gain mastery over the country."

**Presents Charges**

Gibson made the charge in pleading for funds to expand his department's office of international labor affairs.

He said the international labor office is especially necessary to keep in touch with world labor developments because "recent events particularly in Europe, clearly show that the Communists are concentrating their attacks on the labor unions."

Gibson warned that although the forces of democracy were able to thwart the efforts of Communist-led unions in France and Italy last fall, "the Communists assuredly will not cease their efforts." He added:

"On the contrary by their own statements we have been warned that they will still intensify their efforts."

## Ohio River Gives Up Body Of Man

SISTERVILLE, W. Va., March 23.—(INS)—Authorities reported recovery from the Ohio river near Sistrerville of a body tentatively identified as that of John C. Sweeney of Philadelphia.

Police said the body apparently had been in the river three months. Identification was from cards in pockets.

### WOMAN'S SOCIETY MEETING

The Woman's Society of Christian Service of the Methodist church met at the home of Mrs. Alton Nofsker Sr. Friday evening with the president, Mrs. Ferd Book presiding.

Devotionals were led by Mrs. Harry Johnston with program subject "The Christian Church and a New Japan." In charge of Mrs. Merlin Felger. Report of Treasurer, Mrs. Roy Raub and acting secretary, Mrs. Ray Biddle, in absence of Mrs. Sam Book, were approved. Mrs. Henry Nofsker was a special guest and also assisted the hostess in serving tasty refreshments. Mrs. Charles McCullough ably reviewed the third chapter of the study entitled "Great Prayers of the Bible."

### EDENBURG NOTES

Mr. and Mrs. William Swaggart of Kittanning visited at the home of Mr. and Mrs. William Toy. Mr. Toy is still confined to his home from an illness of the past three months.

Mr. and Mrs. Jacob Lease and Mr. and Mrs. Martin Lease of Baden were visitors at the home of Mr. and Mrs. Herman Schock. Mr. Schock has been confined to his home for several months with illness.

Mrs. George Nicholls Jr. visited at the home of her sister, Mrs. Glenn Ward of Youngstown Friday. Mrs. Ward is recuperating nicely following an operation in the Youngstown hospital.

Mrs. Roy Unangst is spending the week at the home of her sister, Mrs. Nell Moerdyk of Washington, D. C.

Mr. and Mrs. J. H. Biddle of Norwalk, O., were Sunday callers at the home of Mr. and Mrs. Ray Biddle and Mr. and Mrs. H. R. Schock.

Mrs. Laura Coates and Mrs. Clarence Jones spent the day recently at the home of the former's brother, Mr. and Mrs. Elaine McCullough in Struthers, O.

Mrs. Walter Raub spent Thursday in New Castle.

Mr. and Mrs. Clarence Jones and Mrs. Laura Coates were visitors in Youngstown Thursday.

I. M. Hofmeister was a New Castle visitor Friday evening.

Mrs. Jessie Dickson, Mrs. Elizabeth Nichols and Miss Laura Coates spent the evening recently at the home of Mr. and Mrs. William Glass of the New Castle road.

Mrs. William Morris and daughters, Ruth Ann and Elaine, of New Bedford, Mr. and Mrs. Winton Ramsey and children, David, Richard, Donnie and Ruth Ann, of Youngstown spent Friday evening at the home of Mrs. Ramsey's mother.

### Plan 4-H Club For Neshannock

Plans for a 4-H Agriculture Club for the boys and girls of Neshannock Township, will be unfolded at a meeting called for Wednesday evening at 8 o'clock in the Neshannock Township fire hall, for all boys and girls of the Neshannock Township community and their parents.

L. C. Dayton, county agent, will show pictures of 4-H club activities in Lawrence county.

Order **MILORGANITE FERTILIZER** Today!

FREE DELIVERY

100-lb. bag **\$3.80**

50-lb. bag ..... **\$2.35**

25-lb. bag ..... **\$1.35**

# YOU'LL POINT with PRIDE to YOUR LAWN

## Flowers, Shrubs, Trees and Garden . . . If You Use MILORGANITE FERTILIZER

**MILORGANITE**, properly applied, will help you establish deep green grass of uniform color and growth; weed-free turf of velvety texture. You can enjoy the beauty of better blooms in your flower beds or window boxes; take new pride in garden vegetables of superior quality; have trees and shrubs that are strong and healthy—grounds and gardens that will be a source of pride and gratification to you and the envy of your neighbors.

**A NATURAL ORGANIC FOOD** • Milorganite is a natural, unadulterated organic plant food. It contains more of the "basic" fertilizer elements than good old Barnyard Manure, and is richer in the vital "trace elements," also.

**EFFECTS ON GROWTH ARE LONG LASTING** • Soluble fertilizers may act more quickly than Milorganite because they are rapidly assimilated by plants. Usually this is a disadvantage rather than an advantage . . . because the effect on plant growth is short-lived. Furthermore, too rapid growth weakens plant structures. MILORGANITE promotes steady, healthy, uniform growth because its water-insoluble organic nitrogen is released slowly, and is converted into available plant food as needed. That's why lawns fed with Milorganite stay green longer.

Also Lawn and Garden Seeds, Bone Meal, Lime, Dried Cattle and Sheep Manure, Garden Supplies and Insecticides.

**HIGH IN PURITY—NON-BURNING** • Scientific process of manufacture assures high purity and high content of plant food elements. Milorganite has no objectionable odor, is free of weed seeds and harmful bacteria . . . yet stimulates development of vitally needed soil micro-organisms which convert insoluble soil nutrients into available and usable compounds.

**EASY TO USE** • Each particle is a distinct granule (not a powder), so Milorganite does not cling to vegetation. It is clean, dustless, and free-flowing, too, hence easy to apply, even on a windy day, as it does not blow away during spreading.

**KEEPS INDEFINITELY** • Milorganite never cakes or hardens during storage, and does not rot the bags. Any portion not used immediately can be stored indefinitely for future use.

★ ★ ★ ★ ★ **All Local Golf Clubs Use It!**

Golf Clubs use more Milorganite than any other fertilizer because LONG EXPERIENCE has proved to them that Milorganite is an ideal, dependable turf fertilizer. So why not try their prescription on your lawn? Use Milorganite liberally twice a year (3 to 5 lbs. per 100 sq. ft. each time), once in spring and again in early fall. Watering immediately after application is not necessary, as Milorganite will not burn. THE IMPROVEMENT IN TURF AND REDUCTION IN WEEDS WILL AMAZE YOU.

**MILORGANITE Non-Burning Fertilizer Sold in New Castle by J. S. RILEY & CO. 355 E. Washington St. Phone 77**

### Spring Vacation At Westminster Starts Wednesday

NEW WILMINGTON, March 23.—Spring vacation at Westminster college starts at noon Wednesday and continues until noon Wednesday, March 31.

Dr. John Orr, acting president, has announced that seniors will take their comprehensive examination May 13, 14 and 15, while May 20 is the final date for turning in of senior theses to department heads.

Discontinuing classes for two days, pre-registration for both summer and fall sessions will be held May 21-22. Final examinations will begin May 25 and end June 2. Alumni day will be held June 5, baccalaureate, June 6, and commencement June 7.

Piano pedals were devised by an Englishman named Broadwood in about 1785.

### Will Set Date For Next Farm Show

HARRISBURG, March 23.—(INS)—The state farm show commission will meet today at the state capitol to select a date for the annual agricultural exposition at Harrisburg next winter.

A spokesman said the commission would decide whether to hold the show in November, as requested by some livestock exhibitors, or to schedule it in January as usual.

Livestock exhibitors have told the commission that prize animals were in better condition for showing in November but opposition to the fall meeting has been voiced by farmers because it would follow the harvest too closely.

At a meeting of the farm show committee last night, representatives of 30 to 48 member farm organizations voted to extend membership to the Pennsylvania Raw Milk Producers-Dealers Association.

### Potato Yield In State Increases

HARRISBURG, March 23.—(INS)—The Agriculture Department reported today that 2,350,000 bushels of Pennsylvania potatoes were sold during February but 2,300,000 bushels still were held by growers and dealers.

On March 1, 1947, there were 3,200,000 bushels of spuds on hand while on the same date in 1946 holdings totaled only 1,600,000 bushels, the department said.

**Yield Much Higher**

During 1947, Pennsylvania's total yield amounted to approximately 18,000,000 bushels.

Simultaneously, the department announced that the high cost of feed during February cut chick production 21 per cent. Only 6,500,000 chicks were produced last month and many hatcheries did not open.

During the first two months of this year, chick production totaled 10,200,000 compared with 12,570,000 in a similar period last year, according to the department.

### COPSON BROTHERS ARE TRANSFERRED

S. 1-c Richard D. Copson has been transferred from Jacksonville, Fla., to naval aviation school, Lakehurst, N. J., where he is studying aerology. His brother, S. 2-c David Copson, who was also located at Jacksonville, has been sent to A. M. M. school "A", Memphis, Tenn., where he will complete work for his machinist's mate rating. The boys are the sons of Mr. and Mrs. Donald, Copson, Leasure avenue.

Either was first used as anesthetic during surgical operations in 1846.

### Street Department Starts Clean-Up

James Gibson, director of streets, today announced that the sweeper is ready for operation, and will operate between 12 midnight and 8 a. m. on Monday and Friday nights.

He also reported that his department has launched a clean-up of streets, which will require the services of 30 men over a period of two months to accomplish.

Cellulose is the main constituent of all plant life.

### IN U. S. NAVY BAND AT NAVAL ACADEMY

Pete Lisko has received a transfer from the band aboard the U.S.S. Helena to the U. S. Naval Academy band at Annapolis, Md. Lisko is the son of Mrs. Caroline Lisko, of 1607 Bradner avenue. He enlisted in the U. S. Navy in 1939.

Total life insurance purchases in the U. S. during 1947 were \$21,700,000,000 of which \$14,500,000,600 was ordinary insurance, \$4,200,000,000 industrial life and \$3,000,000,000 group life.

The lemon is native of India.

### Relief Load In State Reduced

HARRISBURG, March 23.—(INS)—Fourteen persons quit state relief rolls during the week ended March 13, reducing the overall burden to 308,669 indigents.

The Department of Public Assistance said the decline was noted in general assistance rolls but pointed out that fluctuations in old age assistance, aid to dependent children and blind pension lists are reported only once a month.

### Budget Surplus Is Over Six Billion

WASHINGTON, March 23. — (INS)—The treasury reported that the government's budget surplus has passed the six billion dollar mark for the first time in history. Treasury figures show that there was a record surplus of six billion, 121 million dollars on March 18 for the fiscal year ending June 30.

Average rainfall over the United States is 30 inches a year.

### SECURES DUFFLE BAGS

Mrs. Sue E. Jackson, wife of Dr. Edwin Jackson, who is president of the Women's Missionary Society of the Enon Valley Presbyterian church, called up County Sunday School Headquarters and ordered two additional duffle bags. Six duffle bags have already been sent to the service center in Maryland to be processed before being sent to the needy overseas, and two more duffle bags are ready to be sent. In addition to these duffle bags, a large number of winter coats and other garments will be enclosed in cardboard containers, and sent by parcel post.

## Declares Russia Rearing From U. S. Stockpiles

NEW YORK, March 23.—(INS)

The New York Journal-American said in a copyright article, that Soviet Russia is rearing its war machine from the vast stockpiles of America's World War II weapons.

The Journal-American said "vital cargo" is being loaded aboard two Soviet vessels, while a third is waiting at a Staten Island dock.

The newspaper also stated that two American ships of the Moore-McCormack line are "taking on industrial machinery needed behind the iron curtain."

### Veterans Picket

The charge by the Journal-American was made while war veterans threw picket lines around New Jersey piers in protest against shipments of United States-made machinery to Russia.

However, after picketing all day yesterday and this morning, the pickets withdrew at the urging of the International Longshoremen's Association.

The ILA members had refused to cross the picket lines, but a union delegate pointed out that the men were losing their livelihood, and that the union had not been officially notified of the dispute.

The veterans withdrew and the Longshoremen made plans to resume work.

The Journal-American story said: "Buying Machinery of War"

"With war tension at its highest since before Pearl Harbor, agents from the Kremlin—some operating openly, others secretly—are combing War Assets Administration depots buying the machinery of war."

"Planes, engines, aircraft components, heavy machine tools for making shells and bombs and all other types of war material have been sold by Americans to Russian agents."

"American-made material which would cost millions to reproduce, and which probably could be duplicated only with difficulty because of the scarcity of basic materials, already has arrived behind the Iron Curtain."

### Being Loaded Here

"More material, including machinery for making munitions, is now being loaded on Russian ships in New York Harbor even during the 'fateful hour' described by Secretary Marshall."

The paper added that agents of the Amtorg Trading Corp., official Russian Purchasing Commission in this country, are buying new and used bomber engines and transport and cargo plane parts scrapped as junk by the WAA and armed services.

It added that included are parts which could be used as replacements for worn out equipment of planes Russia received on lend lease.

## Medical Benefits To Poor Children

HARRISBURG, March 23. — (INS) — School children whose parents cannot finance medical treatments are to benefit under a half-million dollar experimental program.

Secretary of Public Assistance Frank A. Robbins, pointed out that the Commonwealth would pay medical, surgical or dental bills for needy school children only when parents could not underwrite the cost.

The program was set up by the general assembly when it was found that many children were not getting recommended remedial treatment because of their parents' lack of funds.

### Congregationalists Approve Merger

First Congregational Church Votes For Merger With Evangelical And Reformed Church

At the Sunday morning and evening services of the First Congregational church, members balloted regarding the proposed merging of the Congregational-Christian and Reformed Church of America.

A general announcement was made at the close of the evening service, that the church had overwhelmingly approved the merger into the United Church of Christ.

The result of the national balloting will be announced in June, during the National Council session, at Oberlin, Ohio. Steps will also be adopted to form the new body, and to draft the new constitution.

The local votes will be submitted to the state office of the Pennsylvania Congregational-Christian Conference, now in the hands of the tellers, Emrys Lewis, Joseph Baskinfield, and Carl Turner.

**HUNGRY BURGLARS**  
broke into a home and instead of taking jewelry or silverware as they usually do, ransacked the icebox, cooked a meal and enjoyed a feast. Do you have the protection of Aetna Residence and Outside Theft Insurance?

### MISS CAROL BOWDEN APPEARS ON PROGRAM

Miss Carol Mae Bowden, daughter of Mr. and Mrs. John Bowden, former residents of New Castle, now residing at Pomona, Calif., was a special guest of Lou Costello on Tom Brennen's "Breakfast in Hollywood" program on Tuesday, March 16.

Miss Bowden was the recipient of several gifts. She is 12 years of age and was a student in the sixth grade at Thaddeus Stevens school.

## City Hall Council Acts On Many Matters

Several Ordinances Are  
Given Attention At Ses-  
sion On Monday

### ZONING HEARING BEING ARRANGED

Council met Monday in city hall and decided that a hearing on two proposed zoning ordinances would be held in council chambers, municipal building, April 8. Both refer to Euclid avenue.

One ordinance changes a district which includes portions of Summer and Euclid avenues from an A to a D zone. Council intends to vote down this ordinance, but deemed it feasible to give persons an opportunity, if they desire, to discuss it.

The other ordinance, which council favors, puts both sides of Euclid avenue, between Highland and Delaware avenues, in a B residential zone.

Streets Director James Gibson introduced a motion changing the channel lines of the Neshannock creek between the east line of South Jefferson street and west line of South Mill street.

This is to conform to the plans of the state which proposes to erect a bridge across the Neshannock creek between Grove street extension and South Jefferson street this summer.

**Enclose Water Course**  
A second ordinance presented will result in the city adopting an ancient water course in the fifth ward. It will be closed. The water course now causes damages to the Massi, Lewis, Hetrick, Georgiadis, McCandless and DeGennaro properties.

A third ordinance authorizes the opening, grading and construction of a sanitary sewer East Mayor avenue, between Carlisle and North Mercer streets. The majority of property owners have agreed to pay for the improvement, reports state. Bids will be asked soon.

A fourth ordinance would ordain and establish Hazelcroft avenue from Highland avenue east about 2,284 feet to the east line of the city as it has been heretofore dedicated to public use and provides for the grading thereof.

A fifth ordinance ordains Highland avenue, Delaware avenue and Audley avenue in the second ward from the old city line north to the city line as now established and fixes the grade on that part recently annexed to the city.

**Made 'Through' Street**  
Another ordinance was adopted. It provides that East Washington street be a main or through street between Butler avenue and Cascade park. The move was requested by the state highway department.

Upon motion of Streets Director Gibson, the city legal bureau will serve a nuisance notice upon Mooney Brothers, Mr. Gibson alleged the firm cut down an embankment at the Coates property, South Liberty street. He maintains that following each rain storm yellow loam is washed upon the street which requires considerable work by the streets department. The firm will be asked to abate the nuisance.

**Delay Paving**  
Council granted authority to Parks Director Joseph D. Alexander to grant a license to Glenn Latimer for the operation of a Tumble-Bug at Cascade park, for which Latimer will pay 20 per cent. less federal taxes, for this year's operation.

Director Gibson notified the city clerk to inform J. F. P. Kennelly that per his request for paving of Sycamore street that other property owners are not financially able to pay for the improvement, hence it will be delayed for some time.

Plans and specifications for a new eight-inch sewer in North Mercer and Grant streets to serve a new apartment house, and one the same size in Cochran way, in the rear of the new city building were approved. Bids will be asked for the jobs.

**WILL COMPLETE COURSE**  
Henry DeLanzo, Jackson avenue, etc., is attending the New Castle Jewelers' Training School, Inc. He will graduate from the school on April 1, 1948, according to an announcement received from the school.

### PETE SAYS

THE ONLY THING THE MATTER WITH THE YOUNG PEOPLE TODAY IS IMMATURITY. GIVE THEM TIME THEY'LL GROW OUT OF IT.

PETE ALSO SAYS: We'll give you plenty of time to repay that loan, eighteen months if you like. No co-signers or endorsers necessary.

**GENERAL  
FINANCE COMPANY**
